[The Woman Inside](#) Apr 13 2021 "A marital saga so pitch-black it makes *Gone Girl* look like the romance of the decade... [*The Woman Inside*] resembles past smashes like *Big Little Lies* and *The Woman in the Window*."—*Entertainment Weekly* An impossible-to-put-down domestic thriller about secrets and revenge, told from the perspectives of a husband and wife who are the most perfect, and the most dangerous, match for each other. Paul and Rebecca are drowning as the passion that first ignited their love has morphed into duplicitous secrecy, threatening to end their marriage, freedom, and sanity. Rebecca, in the throes of opioid addiction, uncovers not only her husband's affair but also his plan to build a new life with the other woman. Spiraling desperately, she concocts a devious plot of her own—one that could destroy absolutely everything. *The Woman Inside* is a shockingly twisty story of deceit, an unforgettable portrait of a marriage imploding from within, and a cautionary tale about how love can morph into something far more sinister. It's a novel about how people grow apart and how those closest to us can be harboring the most shocking of secrets.

[Conscious Dating](#) Jan 11 2021 We want to be happy in relationships, but don't know how. The old way of dating and mating simply doesn't work anymore. The rules have changed and most of us don't know what the new rules are. In searching for love, most singles are using trial and error, flying by the seat of their pants, or following bad advice. *Conscious Dating* does not offer manipulative or deceptive practices that compromise who you are, in fact it helps singles celebrate who they are and see being single as an opportunity and not a disease. This is not just another dating book filled with tired ideas about how to get a man or woman. *Conscious Dating* provides relationship information and strategies proven and tested with thousands of singles worldwide from a pioneering leader in the field of relationships.

[The Rule of Three](#) Aug 30 2022 From E. G. Scott, the utterly gripping tale of three couples whose game night goes horribly wrong. Full of twists and turns that you'll never see coming, this is the summer read you won't be able to put down. Once a week, three women get together for book club in Kingsland, a private, gated community full of neighbors looking to do their business away from prying eyes. On the same night, their husbands meet up to play poker, where much more is being planned than anyone could guess. But on this particular night, something goes terribly wrong. When all three men end up dead or hospitalized, and the entire town is being questioned, no one seems to be able to answer the only question that really needs asking: What the hell happened? This is a riveting story, not just of powerful women or vengeful men, but of secrets, neighbors, blackmail, business gone wrong, and the most intimate of desires spilling into full view.

[Rhythm of Three](#) Oct 08 2020 One woman, two lovers. Double the pleasure, or double the trouble? *Rule of Three, Book 2* Former goodie-two-shoes Cassidy now has three pairs of shoes under her bed—hers, Chris's and Dag's. While she delights in the hot threesome that's making her friend envious, she can't deny things are...complicated. Namely, whom to tell about their unconventional relationship, and whom to keep in the dark. In the dark category? Definitely Chris's parents, which should be simple, since they live far away. Except they've sprung a surprise visit for their son's thirtieth birthday. Then there's Cassidy's best friend Danielle, who's home from Europe, clueless to recent events, and flirting with Dag like crazy. Awkward! Family, friends, coworkers and a wedding put three lovers' commitment to the test, making them wonder if this unique brand of love has a chance in hell of working out.

**The Rule of Three** Apr 25 2022 Name any industry and more likely than not you will find that the three strongest, most efficient companies control 70 to 90 percent of the market. Here are just a few examples: McDonald's, Burger King, and Wendy's General Mills, Kellogg, and Post Nike, Adidas, and Reebok Bank of America, Chase Manhattan, and Banc One American, United, and Delta Merck, Johnson & Johnson, and Bristol-Myers Squibb Based on extensive studies of market forces, the distinguished business school strategists and corporate advisers Jagdish Sheth and Rajendra Sisodia show that natural competitive forces shape the vast majority of companies under "the rule of three." This stunning new concept has powerful strategic implications for businesses large and small alike. Drawing on years of research covering hundreds of industries both local and global, *The Rule of Three* documents the evolution of markets into two complementary sectors -- generalists, which cater to a large, mainstream group of customers; and specialists, which satisfy the needs of customers at both the high and low ends of the market. Any company caught in the middle ("the ditch") is likely to be swallowed up or destroyed. Sheth and Sisodia show how most markets resemble a shopping mall with specialty shops anchored by large stores. Drawing wisdom from these markets, *The Rule of Three* offers counterintuitive insights, with suggested strategies for the "Big 3" players, as well as for mid-sized companies that may want to mount a challenge and for specialists striving to flourish in the shadow of industry giants. The book explains how to recognize signs of market disruptions that can result in serious reversals and upheavals for companies caught unprepared. Such disruptions include new technologies, regulatory shifts, innovations in distribution and packaging, demographic and cultural shifts, and venture capital as well as other forms of investor funding. Years in the making and sweeping in scope, *The Rule of Three* provides authoritative, research-based insights into market dynamics that no business manager should be without.

**Comedy Writing Secrets** Sep 26 2019 A comprehensive guide to writing, selling and performing all types of comedy. Includes comments, advice, gags and routines from top comics.

**The Discussion Book** Sep 18 2021 Build teams, make better decisions, energize groups, and think out of the box Do you need a resource that you can pull out of your pocket to liven up meetings, trainings, professional

development, and teaching? The fifty easily applied techniques in this timely manual spur creativity, stimulate energy, keep groups focused, and increase participation. Whether you're teaching classes, facilitating employee training, leading organizational or community meetings, furthering staff and professional development, guiding town halls, or working with congregations, The Discussion Book is your go-to guide for improving any group process. Each of the concrete techniques and exercises is clearly described with guidance on selection and implementation, as well as advice on which pitfalls to avoid. All of the techniques: Offer new ways to engage people and energize groups Get employees, students, colleagues, constituents, and community members to participate more fully in deliberative decision-making Encourage creativity and openness to new perspectives Increase collaboration and build cohesive teams Keep groups focused on important topics and hard-to-address issues Derived from the authors' decades of experience using these exercises with schools, colleges, corporations, the military, social movements, health care organizations, prisons, unions, non-profits, and elsewhere, The Discussion Book will help you guide discussions that matter.

**The Three Rules of Marriage** Apr 01 2020 Nearly 50% of all marriages in the United States will end in divorce. Researchers estimate that 41% of all first marriages end in divorce. So what do the other half do? How can you ensure that you create the kind of marriage that will support you now and well into the future? Creating a successful marriage isn't about being lucky or obsessing over finding the perfect partner. A successful marriage lasts the test of time and is about knowing the rules that set you and your partner up for the long-term. When you both understand the optimal way to resolve conflicts, avoid holding onto the past and effectively communicate your love and your appreciation for each other, you create a foundation from which to build a powerful union. "The Three Rules of Marriage" delivers a wealth of insight provided by married couples who have faced some of the most difficult challenges a marriage can face and became stronger because of these difficulties. Set yourself up for a successful union and use these rules to create marital bliss. In this time of seismic change, practicing these simple yet powerful rules on a daily basis will ensure your marriage is one that supports you and adds to your overall happiness now and for decades to come.

**Beware the Batman** Jun 03 2020 The popular Cartoon Network series makes its way to comics! Bruce Wayne spent years studying crime-fighting techniques from his butler/former secret spy Alfred Pennyworth. Together they will take on Gotham City's worst criminals and convicts. But even with the help of allies like Katana and Pennyworth, Batman's skills will be put to the test against villains such as Professor Pyg, Man-Bat, and Tobias Whale. Collects BEWARE THE BATMAN #1-6 and the special Free Comic Book Day comic.

*The Rule of Three: Fight for Power* Jul 29 2022 After sixty-six days of a catastrophic global blackout, life in the suburbs is not what it used to be for Adam and his fortified neighborhood of Eden Mills. Although an explosive clash has minimized one threat from outside the walls, Adam's battle-hardened mentor, Herb, continues to make decisions in the name of security that are increasingly wrenching and questionable. Like his police chief mom and others, Adam will follow Herb's lead. But when the next threat comes from an unexpected direction, nobody is ready for it. And someone is going to pay the price—because of Adam's mistakes and mistaken trust.

**The Rule of All** Dec 30 2019 As America's twenty-first-century revolution reaches its endgame, twin sisters must outrun, and outlive, the Common enemy. Outlaw twin sisters Ava and Mira Goodwin were born to defy Texas's tyrannical and oppressive Governor Roth. They inspired millions across the country to liberate themselves and fight to live free under the new Common rule. But an enemy still endangers their fragile vision for the future. Ava and Mira's mission: hunt the man down. The once-mighty Governor Roth has fled Dallas. Holding a hostage beloved by Ava and Mira, Roth has a mission, too: regroup his Loyalists, wreak vengeance, and reclaim his power. With the help of a savvy programmer turned rebel warrior, Ava and Mira brave a journey more uncertain than they've ever attempted before. As they forge southward into foreign territory—against a ruthless cartel, Roth's aggressive Texas Guard, and a formidable new foe—courage, alliances, and trust will be tested. Now, in the most unlikely and treacherous of places, the sisters must finish what they started. Before they—and the Common—are erased from history forever.

*The Rule of Threes* Sep 30 2022 Part family drama, part contemporary thriller, Rule of Threes is a middle grade story about what happens when "perfect" is out of your control. An interior design enthusiast, twelve-year-old Maggie Owens is accustomed to living her life according to her own precise plans. But when she learns about Tony, a mysterious half-brother her own age who needs a place to stay, any semblance of a plan is shattered. Tony's mom struggles with an addiction to opioids, and now she's called upon Maggie's dad—who is also Tony's dad—to take him in. On top of everything, Maggie must also come to terms with the Alzheimer's afflicting her beloved grandmother. While Maggie can strive for—and even succeed in—a picture perfect design, when it comes to family, there is no such thing as perfection. To work through the sudden struggles rocking her world, Maggie must learn the importance of having an open heart. • A heart-wrenching, authentic, and darkly funny coming-of-age story • Addresses hard-hitting topics—such as divorce and substance abuse—with care and honesty • From Marcy Campbell, author of Adrian Simcox Does NOT Have a Horse Merci Suárez Changes Gears meets The Thing About Jellyfish in this compulsively readable novel. • Perfect for ages 10 and up • Appeals to those interested in stories about friendship and non-traditional families • Great for readers who love a bold and self-aware protagonist

*Rule of Three* Oct 20 2021 Rule of Three is a collection of the three short plays "Afternoon At The Seaside, The Rats, " and "The Patient."

*Adrian Simcox Does NOT Have a Horse* Nov 08 2020 A classic in the making, this heartwarming story about empathy and imagination is one that families will treasure for years to come. Adrian Simcox tells anyone who will listen that he has a horse—the best and most beautiful horse anywhere. But Chloe does NOT believe him. Adrian Simcox lives in a tiny house. Where would he keep a horse? He has holes in his shoes. How would he pay for a horse? The more Adrian talks about his horse, the angrier Chloe gets. But when she calls him out at school and even complains about him to her mom, Chloe doesn't get the vindication she craves. She gets something far more important. Written with tenderness and poignancy and gorgeously illustrated, this book will show readers that kindness is always rewarding, understanding is sweeter than judgment, and friendship is the best gift one can give.

**The Poetics of Aristotle** Dec 10 2020 The Poetics of Aristotle is the earliest surviving work of dramatic theory and first extant philosophical treatise to focus on literary theory. In it, Aristotle offers an account of what he calls "poetry". In this reflections Aristotle includes verse drama - comedy, tragedy, and the satyr play - as well as lyric poetry and epic poetry. The similarities and differences are being described in this work.

**The 3-Minute Rule** Jun 15 2021 Want to deliver a pitch or presentation that grabs your audience's ever-shrinking attention span? Ditch the colorful slides and catchy language. And follow one simple rule: Convey only

what needs to be said, clearly and concisely, in three minutes or less. That's the 3-Minute Rule. Hollywood producer and pitch master Brant Pinvidic has sold more than three hundred TV shows and movies, run a TV network, and helmed one of the largest production companies in the world with smash hits like *The Biggest Loser* and *Bar Rescue*. In his nearly twenty years of experience, he's developed a simple, straightforward system that's helped hundreds—from Fortune 100 CEOs to PTA presidents—use top-level Hollywood storytelling techniques to simplify their messages and say less to get more. Pinvidic proves that anyone can deliver a great pitch, for any idea, in any situation, so your audience not only remembers your message but can pass it on to their friends and colleagues. You'll see how his methods work in a wide range of situations—from presenting investment opportunities in a biotech startup to pitching sponsorship deals for major sports stadiums, and more. Now it's your turn. The 3-Minute Rule will equip you with an easy, foolproof method to boil down any idea to its essential elements and structure it for maximum impact. Simplify. Say less. Get More.

*The Blue Book of Grammar and Punctuation* Jan 29 2020 The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, *The Blue Book of Grammar and Punctuation* includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. **The Rule of Three: Will to Survive** Jun 27 2022 Adam has killed again. It had to be done, part of him knows that, but it changes a person. It can certainly change a teenager who's already grown up too quickly, too harshly, in the wake of the catastrophic global blackout five months ago. In the name of safety and survival, Adam and his neighbors have turned their middle American suburban neighborhood into a fortress, defending against countless enemies. Adam wants to hope, wants to be what his girlfriend Lori wants him to be—but there's always a threat tugging at the edges of his consciousness. What's lurking in the dark is a greater danger than ever before: somebody who wants to destroy the Neighborhood and stop their strategic alignments with other powerful enclaves. More than that, though, it's personal: this somebody wants to destroy Adam. And he knows his prey is already wounded. Soon, the hunted becomes the hunter . . . and Adam hates himself for what he will have to do. Because sometimes even the dark is not cover enough for things that would never happen in the light.

**Fourth Dimension** Mar 25 2022 In a world with no power, chaos soon descends. A powerful look at the disintegration of society in the wake of a massive and mysterious outage that has knocked out all modern amenities. Fifteen-year-old Emma has moved house with her ex-Marine mother and younger brother. It's a brand-new condo building, which explains the semi-regular power outages, as workers complete the units around them. So Emma isn't particularly concerned when the latest blackout hits just as they are preparing to leave town on a long weekend camping trip. But then the car won't start, and their cellphones appear dead - - and all the cars outside their building seem to be stalled in a long traffic jam ... In the midst of what appears to be a massive power outage, with their camping gear packed and ready, Emma and her family canoe over to the islands, just offshore, to wait it out. But while they land on an isolated island, with a relatively hidden site, they are far from safe, as people become increasingly desperate to find food and shelter. And as the days pass, and the power remains out, the threat of violence becomes all too real.

*Rule of Threes* May 03 2020 Mercy Suarez meets *The Thing About Jellyfish* in this novel about what happens when "perfect" is out of your control. A classic middle grade story told with honesty, nuance, and depth, in the tradition of Rebecca Stead, Holly Goldberg Sloan, and Jerry Spinelli. How do you share a parent with a stranger? Maggie's accustomed to leading her life perfectly according to her own well-designed plans. But when Maggie learns that she has a half-brother her own age who needs a place to stay, any semblance of a plan is shattered. Tony's mom struggles with an addiction to opioids, and now she's called upon Maggie's dad—who's also Tony's dad—to take him in. As Maggie struggles to reconcile her mom and dad's almost-divorce, accept the Alzheimer's afflicting her grandmother, and understand Tony's own issues—ignorance is no longer an option. While Maggie can strive for—and even succeed in—a perfect design, when it comes to family, nothing is perfect, and tackling its complexities is only possible with an open heart. Heart-wrenching, authentic, and darkly funny, this is a spectacularly written portrayal of the ways we respond to intense change, and proof that no matter the circumstances, the unexpected things are often the best ones. - WILL KEEP KIDS TURNING PAGES: Part family drama, part contemporary thriller, this book is compulsively readable, and accessible and relatable to all different kinds of readers. A juicy read about important topics featuring unforgettable characters that sucks you in and leaves you wishing for more pages - TIMELESS RELATABILITY: With themes of family, school, and friendship, at its core this is a coming-of-age story that's relatable despite the unique circumstances the characters face. - HARD-HITTING TOPICS, APPROACHED WITH CARE: Divorce, substance abuse, opioid addiction, class disparities, and loss are all factors in the story. All are approached with care, honesty, thoughtfulness, and thoroughness. - A REAL, IMPERFECT KID CHARACTER: Prickly and dry, closer to Harriet the Spy than Anne Shirley, the main character Maggie is self-aware, unapologetic, and creative, stubbornly herself and ambitiously brave, giving voice to the kind of kid many kids are but don't often see in books. - THOUGHTFUL BUT NEVER PREACHY: This book takes its young readers seriously: it doesn't talk down to them, keeps them absorbed and engaged, and explores important themes without making them obvious or message-y. Perfect for: - Readers who love a bold and self-aware protagonist - Fans of *The Things About Jellyfish* - Fans of *When You Reach Me* - Readers looking for books about divorce - Readers looking for non-traditional families - Readers looking for evolving friendships - Kids who have experiences with Alzheimer's - Booksellers - Educators and librarians

*A Mother for Choco* Jul 05 2020 Family is about love no matter how different parents and children may be, adopted or not. Choco wishes he had a mother, but who could she be? He sets off to find her, asking all kinds of animals, but he doesn't meet anyone who looks just like him. He doesn't even think of asking Mrs. Bear if she's his mother—but then she starts to do just the things a mommy might do. And when she brings him home, he meets her other children—a piglet, a hippo, and an alligator—and learns that families can come in all shapes and sizes and still fit together. Keiko Kasza's twist on the "Are you my mother?" theme has become one of the most highly recommended stories about adoption for children.

**Closer to Nowhere** Nov 28 2019 #1 New York Times bestselling author Ellen Hopkins's poignant middle grade novel in verse about coming to terms with indelible truths of family and belonging. For the most part, Hannah's life is just how she wants it. She has two supportive parents, she's popular at school, and she's been killing it at gymnastics. But when her cousin Cal moves in with her family, everything changes. Cal tells half-truths and tall tales, pranks Hannah constantly, and seems to be the reason her parents are fighting more and more. Nothing is how it used to be. She knows that Cal went through a lot after his mom died and she is trying to be patient, but most days Hannah just wishes Cal never moved in. For his part, Cal is trying his hardest to fit in, but not everyone is as appreciative of his unique sense of humor and storytelling gifts as he is. Humor and stories might be his defense mechanism, but if Cal doesn't let his walls down soon, he might push away the very people who are trying their best to love him. Told in verse from the alternating perspectives of Hannah and Cal, this is a story of two cousins who are more alike than they realize and the family they both want to save.

*Atomic Habits* Feb 09 2021 The #1 New York Times bestseller. Over 4 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving—every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the

wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

**Getting Results the Agile Way** Feb 21 2022 A guide to the Agile Results system, a systematic way to achieve both short- and long-term results that can be applied to all aspects of life.

*Model Rules of Professional Conduct* Nov 20 2021 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

**The Rule of Three** Jan 23 2022

**The Rule of Three** Dec 22 2021 What would you do to survive the apocalypse? Jack Gee, hiking the New Zealand mountains, is blissfully unaware of the Hemorrhage virus sweeping the world. A desperate message from his wife, Dee, alerts him, and he must return to Hamilton. On the way, he is captured by man-eating monsters and taken to their meat locker. To escape, he will need to draw on all his experience as an outdoorsman, but first he must find the will to survive. Surrounded by Variants, Dee is trapped in her Hamilton basement with a group of survivors. With Jack missing, and dwindling food supplies, she must leave the basement, her only defense a Katana. The nightmare has just begun. Will they find each other in the chaos?

**The Rule of Three** Nov 01 2022 "A teen's suburban neighborhood bands together for its own survival in a world stricken by a catastrophic blackout"--

*The Rule of Three, Chapters 1-5* Mar 13 2021 Download the first five chapters of The Rule of Three, the first book in a thrilling adventure series by Eric Walters! One shocking afternoon, computers around the globe shut down in a viral catastrophe. At sixteen-year-old Adam Daley's high school, the problem first seems to be a typical electrical outage, until students discover that cell phones are down, municipal utilities are failing, and a few computer-free cars like Adam's are the only vehicles that function. Driving home, Adam encounters a storm tide of anger and fear as the region becomes paralyzed. Soon—as resources dwindle, crises mount, and chaos descends—he will see his suburban neighborhood band together for protection. And Adam will understand that having a police captain for a mother and a retired government spy living next door are not just the facts of his life but the keys to his survival.

*The Sisters Club* May 15 2021 From the author of the Judy Moody books, this exciting novel captures the warmth, humor, and squabbles of three spunky sisters. Meet the Sisters Club: twelve-year-old Alex, aspiring actress and born drama queen; eight-year-old Joey, homework lover and pioneer wannabe; and smack in the middle, ten-year-old Stevie, the glue that holds them together -- through dinner disasters, disputes over stolen lucky sweaters, and Alex's going gaga over her leading man. Playfully weaving Stevie's narration with Alex's scripts, Joey's notebook entries, and hilarious elements such as "How to Swear in Shakespeare" and "Dear Sock Monkey" letters, this hugely engaging novel showcases Megan McDonald's ear for dialogue, comic timing, and insight into the ever-changing dynamics of sisterhood.

*The Global Rule of Three* May 27 2022 In our increasingly digital, mobile, and global world, the existing theories of business and economics have lost much of their appeal with the phenomenal rise of Chindia, the reality of Brexit, the turmoil caused by the Covid-19 pandemic, and the seismic shifting of the global center of gravity from west to east. In the area of innovation, the traditional thinking that a developed country, often the US, will come up with the next major innovation, launch at home first, and then take it to other markets does not ring true anymore. Similarly, the world where conglomerates go bargain-hunting for acquisitions in emerging markets has been turned upside-down. This book reveals and illustrates the Global Rule of Three phenomenon, which stipulates that in competitive markets only three companies (which the authors call "generalists") can dominate the market. All other players in the market are specialists. Further, whereas the financial performance of generalists improves as market share increases, specialist companies see a decrease in financial performance as their market share increases, as the latter are margin-driven companies. This theory powerfully captures the evolution of global markets and what executives must do to succeed. It is based on empirical analyses of hundreds of markets and industries in the US and globally. Competitive markets evolve in a predictable fashion across industries and geographies, where every industry goes through a similar lifecycle from beginning to end (or revitalization). From local to regional to national markets, the last stop in the evolution of markets is going global. The pattern is so consistent that it represents a distinct and natural market structure at every level. The authors offer strategies that generalists and specialist should follow to stay competitive as well as twelve expansion strategies for global companies from emerging markets. This book chronicles this global evolution and provides impactful managerial implications for executives and students of marketing and corporate strategy alike.

**Three Simple Rules** Aug 25 2019 In Three Simple Rules, Rueben Job offers an interpretation of John Wesley's General Rules for today's readers. For individual reading or group study, this insightful work calls us to mutual respect, unity and a deeper daily relationship with God. This simple but challenging look at three commands, "do no harm, do good, stay in love with God," calls us to mutual respect, unity, and a deeper relationship with God. "Every year I review the three general rules of the United Methodist Church with those who are being ordained. Now I have a wonderful ordination gift to give them in Bishop Job's, Three Simple Rules, to start and deepen the conversation as they enter a new relationship with the church. Bishop Job has described "by attending upon all the ordinances of God" to be to "stay in love with God." It's a fresh language that speaks especially to long-time Christians and United Methodists." Sally Dyck, Resident Bishop, Minnesota Area "Three Simple Rules is a new catechism for everyone wanting to follow Jesus Christ. These practices for holy living should replace the membership vows in every church! Don't let the title fool you. Bishop Job writes, "The rules are simple, but the way is not easy. Only those with great courage will attempt it, and only those with great faith will be able to walk this exciting and demanding way.'" John Hopkins, Resident Bishop, East Ohio Area Table of Contents: Introduction The World In Which We Live First Do No Harm Do All the Good You Can Stay in Love with God A Guide for Daily Prayer

*The Gettysburg Address* Jul 25 2019 The Gettysburg Address is a speech by U.S. President Abraham Lincoln, one of the best-known in American history. It was delivered by Lincoln during the American Civil War, on the afternoon of Thursday, November 19, 1863, at the dedication of the Soldiers' National Cemetery in Gettysburg, Pennsylvania, four and a half months after the Union armies defeated those of the Confederacy at the Battle of Gettysburg. Abraham Lincoln's carefully crafted address, secondary to other presentations that day, was one of the greatest and most influential statements of national purpose. In just over two minutes, Lincoln reiterated the principles of human equality espoused by the Declaration of Independence and proclaimed the Civil War as a struggle for the preservation of the Union sundered by the secession crisis, with "a new birth of freedom" that would bring true equality to all of its citizens. Lincoln also redefined the Civil War as a struggle not just for the Union, but also for the principle of human equality. Beginning with the now-iconic phrase "Four score and seven years ago"—referring to the United States Declaration of Independence in 1776—Lincoln examined the founding principles of the United States as stated in the Declaration of

Independence. In the context of the Civil War, Lincoln also memorialized the sacrifices of those who gave their lives at Gettysburg and extolled virtues for the listeners (and the nation) to ensure the survival of America's representative democracy: that "government of the people, by the people, for the people, shall not perish from the earth." Despite the speech's prominent place in the history and popular culture of the United States, the exact wording and location of the speech are disputed. The five known manuscripts of the Gettysburg Address in Lincoln's hand differ in a number of details, and also differ from contemporary newspaper reprints of the speech.
