The Sound of the Sea: Seashells and the Fate of the Oceans Jul 28 2022 A Science Friday Best Science Book of the Year A Kirkus Reviews Best Nonfiction Book of the Year A Library Journal Best Science and Technology Book of the Year A Tampa Bay Times Best Book of the Year A compelling history of seashells and the animals that make them, revealing what they have to tell us about nature, our changing oceans, and ourselves. Seashells have been the most coveted and collected of nature's creations since the dawn of humanity. They were money before coins, jewelry before gems, art before canvas. In *The Sound of the Sea*, acclaimed environmental author Cynthia Barnett blends cultural history and science to trace our long love affair with seashells and the hidden lives of the mollusks that make them. Spiraling out from the great cities of shell that once rose in North America to the warming waters of the Maldives and the slave castles of Ghana, Barnett has created an unforgettable account of the world's most iconic seashells. She begins with their childhood wonder, unwinds surprising histories like the origin of Shell Oil as a family business importing exotic shells, and charts what shells and the soft animals that build them are telling scientists about our warming, acidifying seas. From the eerie calls of early shell trumpets to the evolutionary miracle of spines and spires and the modern science of carbon capture inspired by shell, Barnett circles to her central point of listening to nature's wisdom—and acting on what seashells have to say about taking care of each other and our world.

You, Me, and the Sea Aug 24 2019 From the USA Today bestselling author of *All the Summer Girls* and *Dog Crazy* comes a spellbinding and suspenseful tale inspired by Wuthering Heights that illuminates the ways in which hope—and even magic—can blossom in the darkest of places. To find her way, she must abandon everything she loves. . . . As a child, Merrow Shave believes she is born of the sea: strong, joyous, and wild. Her beloved home is Horseshoe Cliff, a small farm on the coast of Northern California where she spends her days exploring fog-cloaked bluffs, swimming in the cove, and basking in the light of golden sunsets as her father entertains her with fantastical stories. It is an enchanting childhood, but it is not without hardship—the mystery of Merrow's mother's death haunts her, as does the increasingly senseless cruelty of her older brother, Bear. Then, like sea glass carried from a distant land, Amir arrives in Merrow's life. He's been tossed about from India to New York City and now to Horseshoe Cliff, to stay with her family. Merrow is immediately drawn to his spirit, his passion, and his resilience in the face of Bear's viciousness. Together they embrace their love of the sea, and their growing love for each other. But the ocean holds secrets in its darkest depths. When tragedy strikes, Merrow is forced to question whether Amir is really the person she believed him to be. In order to escape the danger she finds herself in and find her own path forward, she must let go of the only home she's ever known, and the only boy she's ever loved. . . .

Salt to the Sea Oct 19 2021 #1 New York Times bestseller and winner of the Carnegie Medal! "A superlative novel . . . masterfully crafted."--*The Wall Street Journal* Based on "the forgotten tragedy that was six times deadlier than the Titanic."--*Time* Winter 1945. WWII. Four refugees. Four stories. Each one born of a different homeland; each one hunted, and haunted, by tragedy, lies, war. As thousands desperately flock to the coast in the midst of a Soviet advance, four paths converge, vying for passage aboard the Wilhelm Gustloff, a ship that promises safety and freedom. But not all promises can be kept. . . . This paperback edition includes book club questions and exclusive interviews with Wilhelm Gustloff survivors and experts.

In the Heart of the Sea Jul 04 2020 From the author of *Mayflower*, *Valiant Ambition*, and *In the Hurricane's Eye*—the riveting bestseller tells the story of the true events that inspired Melville's *Moby-Dick*. Winner of the National Book Award, Nathaniel Philbrick's book is a fantastic saga of survival and adventure, steeped in the lore of whaling, with deep resonance in American literature and history. In 1820, the whaleship *Essex* was rammed and sunk by an angry sperm whale, leaving the desperate crew to drift for more than ninety days in three tiny boats. Nathaniel Philbrick uses little-known documents and vivid details about the Nantucket whaling tradition to reveal the chilling facts of this infamous maritime disaster. In *The Heart of the Sea*, recently adapted into a major feature film starring Chris Hemsworth, is a book for the ages.

The Safeguard of the Sea Oct 07 2020 Throughout Britain's history, one factor above all others has determined the fate of the nation: its navy. N. A. M. Rodger's definitive account reveals how the political and social progress of Britain has been inextricably intertwined with the strength - and weakness - of its sea power, from the desperate early campaigns against the Vikings to the defeat of the great Spanish Armada. Covering policy, strategy, ships, recruitment and weapons, this is a superb tapestry of nearly 1,000 years of maritime history. 'No other historian has examined the subject in anything like the detail found here. The result is an outstanding example of narrative history' Barry Unsworth, *Sunday Telegraph*

Town Is by the Sea Nov 27 2019 Winner of CLIP Kate Greenaway Medal Winner of the TD Canadian Children's Literature Award A young boy wakes up to the sound of the sea, visits his grandfather's grave after lunch and comes home to a simple family dinner with his family, but all the while his mind strays to his father digging for coal deep down under the sea. Stunning illustrations by Sydney Smith, the award-winning illustrator of *Sidewalk Flowers*, show the striking contrast between a sparkling seaside day and the darkness underground where the miners dig. With curriculum connections to communities and the history of mining, this beautifully understated and haunting story brings a piece of Canadian history to life. The ever-present ocean and inevitable pattern of life in a Cape Breton mining town will enthrall children and move adult readers.

The Novel and the Sea Feb 20 2022 For a century, the history of the novel has been written in terms of nations and territories: the English novel, the French novel, the American novel. But what if novels were viewed in terms of the seas that unite these different lands? Examining works across two centuries, *The Novel and the Sea* recounts the novel's rise, told from the perspective of the ship's deck and the allure of the oceans in the modern cultural imagination. Margaret Cohen moors the novel to overseas exploration and work at sea, framing its emergence as a transatlantic history, stepped in the adventures and risks of the maritime frontier. Cohen explores how Robinson Crusoe competed with the best-selling nautical literature of the time by dramatizing remarkable conditions, from the wonders of unknown lands to storms, shipwrecks, and pirates. She considers James Fenimore Cooper's refashioning of the adventure novel in postcolonial America, and a change in literary poetics toward new frontiers and to the maritime labor and technology of the nineteenth century. Cohen shows how Jules Verne reworked adventures at sea into science fiction; how Melville, Hugo, and Conrad navigated the foggy waters of language and thought; and how detective and spy fiction built on sea fiction's problem-solving devices. She also discusses the transformation of the ocean from a theater of skilled work to an environment of pristine nature and the sublime. A significant literary history, *The Novel and the Sea* challenges readers to rethink their land-locked assumptions about the novel.

Three by the Sea Sep 17 2021 Three friends, Dog, Cat, and Mouse, live happily—or so they think—in their beach hut by the sea until one night a mysterious Stranger, bearing gifts from the Winds of Change Trading Company, blows into their little world and turns it upside down. Soon Dog, Cat, and Mouse are fighting with each other. Is the foxy Stranger a troublemaker or does he mean well? And will Dog, Cat, and Mouse ever be happy again? Children will find this thought-provoking picture book of true friendship from award-winning Mini Grey, author of *Traction Man Is Here!* and *Traction Man Meets TurboDog*, deeply satisfying, a story they'll want to hear—and discuss—again and again.

Gift from the Sea Jul 24 2019 50th ANNIVERSARY EDITION • With meditations on youth and age, love and marriage, peace, solitude, and contentment, here are guides us to find a space for contemplation and creativity in our own lives. "Gift from the Sea is like a shell itself in its small and perfect form . . . It tells of light and life and love and the security that lies at the heart." —*New York Times Book Review* Drawing inspiration from the shells on the shore, Lindbergh's musings on the shape of a woman's life will bring new understanding to readers, male and female, at any stage of life. A mother of five and professional writer, she casts an unsentimental eye at the trappings of modern life that threaten to overwhelm us—the timesaving gadgets that complicate our lives, the overcommitments that take us from our families. With great wisdom and insight she describes the shifting shapes of relationships and marriage, presenting a vision of a life lived in enduring and evolving partnership. A groundbreaking work when it was first published, this book has retained its freshness as it has been rediscovered by generations of readers and is no less current today.

The Moon and the Sea Oct 26 2019 An average day in Emily Gardner's life includes working as a freelance Spellcaster, tending to her garden full of magical herbs, and training her niece, Victoria, how to cast spells under the moonlight. Her daily routine is shattered, however, when one day the wind disappears, and the spirit of the sea declares war on the spirit of the moon. Emily must now choose between her duty as a Spellcaster of the Moon and her responsibility to protect her family.

The Boy and the Sea Apr 24 2022 A picture book meditation on curiosity, wonder, and finding one's way In this lyrical picture book, readers follow one boy through his life as he returns to the seashore beside his home. The boy likes to think, and his thoughts turn into questions. He brings these questions to the sea. At times, he thinks he can hear the sea whisper to him: Dream. Love. Be. So he does. He dreams—a young boy imagining all that he might do. He loves—a teenager, reaching out from a lonely place to make friends. He allows himself to just be—now grown, sharing the seashore with his daughter. A celebration of quiet curiosity, *The Boy and the Sea* invites readers to ask questions and live their way into the answers.

Citizens of the Sea Apr 12 2021 "The incredible variety of marine life—in numbers, body form, behavior, and more—is at the heart of *Citizens of the Sea*, an irresistible plunge into the surprising world beneath the waves."—from inside cover.

Capitalism and the Sea Jun 02 2020 What keeps capitalism afloat? The global ocean has through the centuries served as a trade route, strategic space, fish bank and supply chain for the modern capitalist economy. While sea beds are drilled for their fossil fuels and minerals, and coastlines developed for real estate and leisure, the oceans continue to absorb the toxic discharges of our carbon civilization - warming, expanding, and acidifying the blue water part of the planet in ways that will bring unpredictable but irreversible consequences for the rest of the biosphere. In this bold and radical new book, Campling and Colás analyze these and other sea-related phenomena through a historical and geographical lens. In successive chapters dealing with the political economy, ecology and geopolitics of the sea, the authors argue that the earth's geographical separation into land and sea has significant consequences for capitalist development. The distinctive features of this mode of production continuously seek to transcend the land-sea binary in an incessant quest for profit, engendering new alignments of sovereignty, exploitation and appropriation in the capture and coding of maritime spaces and resources.

The Girl Who Fell Beneath the Sea Nov 07 2020 A New York Times Bestseller! Axie Oh's *The Girl Who Fell Beneath the Sea* is an enthralling feminist retelling of the classic Korean folktale "The Tale of Shim Cheong," perfect for fans of *Wintersong*, *Uprooted*, and *Miyazaki's Spirited Away*. Deadly storms have ravaged Mina's homeland for generations. Floods sweep away entire villages, while bloody wars are waged over the few remaining resources. Her people believe the Sea God, once their protector, now curses them with death and despair. In an attempt to appease him, each year a beautiful maiden is thrown into the water to serve as the Sea God's bride, in the hopes that one day the "true bride" will be chosen and end the suffering. Many believe that Shim Cheong, the most beautiful girl in the village—and the beloved of Mina's older brother Joon—may be the legendary true bride. But on the night Cheong is to be sacrificed, Joon follows Cheong out to sea, even knowing that to interfere is a death sentence. To save her brother, Mina throws herself into the water in Cheong's stead. Swept away to the Spirit Realm, a magical city of lesser gods and mythical beasts, Mina seeks out the Sea God, only to find him caught in an enchanted sleep. With the help of a mysterious young man named Shin—as well as a motley crew of demons, gods and spirits—Mina sets out to wake the Sea God and bring an end to the killer storms once and for all. But she doesn't have much time: A human cannot live long in the land of the spirits. And there are those who would do anything to keep the Sea God from waking. . . . Praise for *The Girl Who Fell Beneath the Sea*: An ABA Indie Bestseller "On every page I found something marvelous and new, and I was eager to keep reading because I wanted to further explore this wondrous new world." —*The New York Times* "A beautiful, mesmerizing retelling I wish I'd had when I was growing up. . . . A heartfelt tale that I will be recommending for years to come." —Elizabeth Lim, *New York Times*-bestselling author of *Six Crimson Cranes* "A clever, creative, and exquisitely written tale of sacrifice, love, and fate." —Stephanie Garber, *New York Times*-bestselling author of *Caraval*

The Sea May 26 2022 *Winner of the Man Booker Prize* A luminous novel about love, loss, and the unpredictable power of memory. In this "extraordinary meditation on mortality, grief, death, childhood and memory" (*USA Today*), John Banville introduces us to Max Morden, a middle-aged Irishman who has gone back to the seaside town where he spent his summer holidays as a child to cope with the recent loss of his wife. It is also a return to the place where he met the Graces, the well-learned family with whom he experienced the strange suddenness of both love and death for the first time. What Max comes to understand about the past, and about its indelible effects on him, is at the center of this elegiac, gorgeously written novel — among the finest we have had from this masterful writer.

Bride of the Sea Sep 05 2020 NAMED MOST ANTICIPATED BOOK by Bustle * Goodreads * Ms. Magazine * Popsugar * Electric Literature * Chicago Review of Books * Newsweek * Alma * and more "A marvel. An intricately realized novel that honors every place it depicts." —Rakesh Satyal "I love the sea," she said. "I don't know if I could live without it." During a snowy Cleveland February, newlywed university students Muneer and Saedah are expecting their first child, and he is harboring a secret: the word divorce is whispering in his ear. Soon, their marriage will end, and Muneer will return to Saudi Arabia, while Saedah remains in Cleveland with their daughter, Hanadi. Consumed by a growing fear of losing her daughter, Saedah disappears with the little girl, leaving Muneer to desperately search for his daughter for years. The repercussions of the abduction ripple outward, not only changing the lives of Hanadi and her parents, but also their interwoven family and friends—those who must choose sides and hide their own deeply guarded secrets. And when Hanadi comes of age, she finds herself at the center of this conflict, torn between the world she grew up in and a family across the ocean. How can she exist between parents, between countries? Eman Quotah's *Bride of the Sea* is a spellbinding debut of colliding cultures, immigration, religion, and family; an intimate portrait of loss and healing; and, ultimately, a testament to the ways we find ourselves inside love, distance, and heartbreak.

Sargent and the Sea Feb 29 2020 Ships and the sea through the eyes of one of the most remarkable painters of the early 20th century As a young man the American painter John Singer Sargent (1856-1925) was passionate about the sea and deeply knowledgeable about ships and seafaring. Between the ages of 18 and 23 he started his career as a professional painter with a remarkable range of maritime work that form the subject of this exhibition and book. The key works are two versions of the *Oyster Gatherers of Cancale*, painted in 1878 on the northern coast of Brittany in France, and the group of studies and sketches around them. The authors relate Sargent's freely handled marine drawings, large and small, to his watercolors, oil sketches, and finished oil paintings of marine subjects. The works demonstrate his transition from a plein-air painter to a tonalist exploring interiors and urban scenes. Also presented is a unique scrapbook, held by the Metropolitan Museum of Art, that includes more than 50 drawings and sketches, mostly of sea scenes, and postcards and commercial photography of works of art, architecture, and tourist views. This scrapbook provides an intimate glimpse at the thoughts and experiences of the young artist on his first European voyage

Flowers for the Sea Sep 25 2019 A Library Journal Editor's Pick! Flowers for the Sea is a dark, dazzling debut novella that reads like Rosemary's Baby by way of Octavia E. Butler We are a people who do not forget. Survivors from a flooded kingdom struggle alone on an ark. Resources are scant, and ravenous beasts circle. Their fangs are sharp. Among the refugees is Iraxi: ostracized, despised, and a commoner who refused a prince, she's pregnant with a child that might be more than human. Her fate may be darker and more powerful than she can imagine. Zin E. Rocklyn's extraordinary debut is a lush, gothic fantasy about the prices we pay and the vengeance we seek. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Barbara Bosworth: The Sea Jul 16 2021 A luxuriously designed photographic meditation on the infinite permutations of the sea, from the author of the acclaimed photobooks *The Heavens* and *The Meadow* Since moving to New England in 1984, Barbara Bosworth (born 1953) has been photographing the sea and its awe-inspiring ability to transform sky, water and light. The sea evokes calm introspection, romance and poetry, while remaining a deeply unknowable and overpowering natural force, a contradiction that has drawn people to the shoreline for millennia. Before she discovered photography, and for as long as she can remember, Bosworth has been looking at the sea. Many hours were spent with her father watching the light move across Cape Cod Bay. Later in life, she walked those same beaches with the wonder that had been passed down by her father, as well as generations of writers, poets and artists. This book of Bosworth's photographs of the sea, made with an 8x10 camera, follows in the tradition of *The Meadow* and *The Heavens*, serving as the third and final volume in the series, keeping the same size and design elements as the previous two publications.

Paddle-to-the-Sea Jun 14 2021 A toy Indian and his canoe travel from Lake Nipigon to the Atlantic Ocean.

Our Wives Under the Sea Dec 29 2019 Fathomless inventive and original, Julia Armfield's *Our Wives Under the Sea* is a portrait of marriage as we've never seen it before. "Shocking...Achingly poetic...Sharp and beautiful as coral polyps...Armfield exercises an exquisite—even sadistic—sense of suspense." —Ron Charles, *The Washington Post* "A wonderful novel, deeply romantic and fabulously strange. I loved this book." —Sarah Waters "Without a doubt, one of the best books I've ever read." —Kristen Arnett Leah is changed. A marine biologist, she left for a routine expedition months earlier, only this time her submarine sank to the sea floor. When she finally surfaces and returns home, her wife Miri knows that something is wrong. Barely eating and lost in her thoughts, Leah rotates between rooms in their apartment, running the taps morning and night. Whatever happened in that vessel, whatever it was they were supposed to be studying before they were stranded, Leah has carried part of it with her, onto dry land and into their home. As Miri searches for answers, desperate to understand what happened below the water, she must face the possibility that the woman she loves is slipping from her grasp. By turns elegiac and furious, wry and heart-breaking, *Our Wives Under the Sea* is an exploration of the unknowable depths within each of us, and the love that compels us nevertheless toward one another.

Lucy by the Sea Nov 19 2021 NEW YORK TIMES BESTSELLER • From Pulitzer Prize-winning, #1 New York Times bestselling author Elizabeth Strout comes a poignant, pitch-perfect novel about a divorced couple stuck together during lockdown—and the love, loss, despair, and hope that animate us even as the world seems to be falling apart. "No novelist working today has Strout's extraordinary capacity for radical empathy. . . . May droves of readers come to feel enlarged, comforted, and genuinely uplifted by Lucy's story." —The Boston Globe ONE OF THE BEST BOOKS OF THE YEAR: The New Yorker With her trademark spare, crystalline prose—a voice infused with "intimate, fragile, desperate humanness" (*The Washington Post*)—Elizabeth Strout turns her exquisitely tuned eye to the inner workings of the human heart, following the indomitable heroine of *My Name Is Lucy Barton* through the early days of the pandemic. As a panicked world goes into lockdown, Lucy Barton is uprooted from her life in Manhattan and bundled away to a small town in Maine by her ex-husband and on-again, off-again friend, William. For the next several months, it's just Lucy, William, and their complex past together in a little house nestled against the moody, swirling sea. Rich with empathy and emotion, *Lucy by the Sea* vividly captures the fear and struggles that come with isolation, as well as the hope, peace, and possibilities that those long, quiet days can inspire. At the heart of this story are the deep human connections that unite us even when we're apart—the pain of a beloved daughter's suffering, the emptiness that comes from the death of a loved one, the promise of a new friendship, and the comfort of an old, enduring love.

From the River to the Sea Mar 24 2022 "Riveting...A great read, full of colorful characters and outrageous confrontations back when the west was still wild." —George R.R. Martin A propulsive and panoramic history of one of the most dramatic stories never told—the greatest railroad war of all time, fought by the daring leaders of the Santa Fe and the Rio Grande to seize, control, and create the American West. It is difficult to imagine now, but for all its gorgeous scenery, the American West might have been barren tundra as far as most Americans knew well into the 19th century. While the West was advertised as a paradise on earth to citizens in the East and Midwest, many believed the journey too hazardous to be worthwhile—until 1869, when the first transcontinental railroad changed the face of transportation. Railroad companies soon became the rulers of western expansion, choosing routes, creating brand-new railroad towns, and building up remote settlements like Santa Fe, Albuquerque, San Diego, and El Paso into proper cities. But thinning federal grants left the routes incomplete, an opportunity that two brash new railroad men, armed with private investments and determination to build an empire across the Southwest clear to the Pacific, soon seized, leading to the greatest railroad war in American history. In *From the River to the Sea*, bestselling author John Sedgwick recounts, in vivid and thrilling detail, the decade-long fight between General William J. Palmer, the Civil War hero leading the "little family" of his Rio Grande, and William Barstow Strong, the hard-nosed manager of the corporate-minded Santa Fe. What begins as an accidental rivalry when the two lines cross in Colorado soon evolves into an all-out battle as each man tries to outdo the other—claiming exclusive routes through mountains, narrow passes, and the richest silver mines in the world; enlisting private armies to protect their land and lawyers to find loopholes; dispatching spies to gain information; and even using the power of the press and incurring the wrath of the God-like Robber Baron Jay Gould—to emerge victorious. By the end of the century, one man will fade into anonymity and disgrace. The other will achieve unparalleled success—and in the process, transform a sleepy backwater of thirty thousand called "Los Angeles" into a booming metropolis that will forever change the United States. Filled with colorful characters and high drama, told at the speed of a locomotive, *From the River to the Sea* is an unforgettable piece of American history "that seems to demand a big-screen treatment" (*The New Yorker*).

The Sea, The Sea (Vintage Classics Murdoch Series) Mar 31 2020 "I saw a monster rising from the waves." **A BBC BETWEEN THE COVERS BIG JUBILEE READ PICK** **Winner of the Man Booker Prize 1978** Charles Arrowby has determined to spend the rest of his days in hermit-like contemplation. He buys a mysteriously damp house on the coast, far from the heady world of the theatre where he made his name, and there he swims in the sea, eats revolting meals and writes his memoirs. But then he meets his childhood sweetheart Hartley, and memories of her lovely, younger self crowd in - along with more recent lovers and friends - to disrupt his self-imposed exile. So instead of 'learning to be good', Charles proceeds to demonstrate how very bad he can be. WITH AN INTRODUCTION BY DAISY JOHNSON VINTAGE CLASSICS MURDOCH: Funny, subversive, fearless and fiercely intelligent, Iris Murdoch was one of the great writers of the twentieth century. To celebrate her centenary Vintage Classics presents special editions of her greatest and most timeless novels.

Race to the Bottom of the Sea Dec 09 2020 Can a clever young inventor uncover a ruthless pirate's heart of gold? Thrilling sea adventure takes on a hint of steampunk in the second book by the author of the acclaimed *Hour of the Bees*. When her parents, the great marine scientists Dr. and Dr. Quail, are killed in a tragic accident, eleven-year-old Fidelia Quail is racked by grief -- and guilt. It was a submarine of Fidelia's invention that her parents were in when they died, and it was she who pressed them to stay out longer when the raging Undertow was looming. But Fidelia is forced out of her mourning when she's kidnapped by Merrick the Monstrous, a pirate whose list of treasores stretches longer than a ribbon eel. Her task? Use her marine know-how to retrieve his treasure, lost on the ocean floor. But as Fidelia and the pirates close in on the prize, with the navy hot on their heels, she realizes that Merrick doesn't expect to live long enough to enjoy his loot. Could something other than black-hearted greed be driving him? Will Fidelia be able to master the perils of the ocean without her parents -- and piece together the mystery of Merrick the Monstrous before it's too late?

In the Heart of the Sea Feb 08 2021 From the author of *Mayflower*, *Valiant Ambition*, and *In the Hurricane's Eye*—the riveting bestseller tells the story of the true events that inspired Melville's *Moby-Dick*. Winner of the National Book Award, Nathaniel Philbrick's book is a fantastic saga of survival and adventure, steeped in the lore of whaling, with deep resonance in American literature and history. In 1820, the whaleship *Essex* was rammed and sunk by an angry sperm whale, leaving the desperate crew to drift for more than ninety days in three tiny boats. Nathaniel Philbrick uses little-known documents and vivid details about the Nantucket whaling tradition to reveal the chilling facts of this infamous maritime disaster. In *Heart of the Sea*, recently adapted into a major feature film starring Chris Hemsworth, is a book for the ages.
