New Dawn Dec 31 2019 This award-winning "powerful narrative history" presents a vividly detailed chronicle of grueling combat operations in Fallujah during the Iraq War (Midwest Book Review). Few places are as closely associated with blood, sacrifice, and valor as the ancient city Fallujah, forty miles west of Baghdad. This sprawling concrete jungle was the scene of two major U.S. combat operations in 2004. The first, Operation Vigilant Resolve, was an aborted effort by U.S. Marines to punish the city's insurgents. The second, Operation Phantom Fury, was launched seven months later. Also known as the Second Battle for Fallujah, Operation Phantom Fury was a protracted house-to-house and street-to-street conflict that began on November 7th and continued unabated for seven bloody weeks. It was the largest fight of Operation Iraqi Freedom and the heaviest urban combat since the Battle of Hue City, Vietnam in 1968. By the time the fighting ended, more than 1,400 insurgents were dead, along with ninety-five Americans (and another 1,000 wounded). In *New Dawn*, military historian Richard Lowry draws on archival research, as well as the personal recollections of nearly 200 soldiers and Marines who participated in the battles for Fallujah, from the commanding generals who planned the operations to the privates who kicked in the doors. The result is a gripping narrative of individual sacrifice and valor that also documents the battles for future military historians. Winner of the Military Writers Society of America Gold Medal for History

The Mathews Men Aug 26 2019 "Vividly drawn and emotionally gripping." —Daniel James Brown, #1 New York Times bestselling author of *The Boys in the Boat* From the author of *The Ghost Ships of Archangel*, one of the last unheralded heroic stories of World War II: the U-boat assault off the American coast against the men of the U.S. Merchant Marine who were supplying the European war, and one community's monumental contribution to that effort Mathews County, Virginia, is a remote outpost on the Chesapeake Bay with little to offer except unspoiled scenery—but it sent an unusually large concentration of sea captains to fight in World War II. *The Mathews Men* tells that heroic story through the experiences of one extraordinary family whose seven sons (and their neighbors), U.S. merchant mariners all, suddenly found themselves squarely in the cross-hairs of the U-boats bearing down on the coastal United States in 1942. From the late 1930s to 1945, virtually all the fuel, food and munitions that sustained the Allies in Europe traveled not via the Navy but in merchant ships. After Pearl Harbor, those unprotected ships instantly became the U-boats' prime targets. And they were easy targets—the Navy lacked the inclination or resources to defend them until the beginning of 1943. Hitler was determined that his U-boats should sink every American ship they could find, sometimes within sight of tourist beaches, and to kill as many mariners as possible, in order to frighten their shipmates into staying ashore. As the war progressed, men from Mathews sailed the North and South Atlantic, the Caribbean, the Gulf of Mexico, the Mediterranean, the Indian Ocean, and even the icy Barents Sea in the Arctic Circle, where they braved the dreaded Murmansk Run. Through their experiences we have eyewitnesses to every danger zone, in every kind of ship. Some died horrific deaths. Others fought to survive torpedo explosions, flaming oil slicks, storms, shark attacks, mine blasts, and harrowing lifeboat odysseys—only to ship out again on the next boat as soon as they'd returned to safety. *The Mathews Men* shows us the war far beyond traditional battlefields—often the U.S. merchant mariners' life-and-death struggles took place just off the U.S. coast—but also takes us to the landing beaches at D-Day and to the Pacific. "When final victory is ours," General Dwight D. Eisenhower had predicted, "there is no organization that will share its credit more deservedly than the Merchant Marine." Here, finally, is the heroic story of those merchant seamen, recast as the human story of the men from Mathews.
