Art Will Thrill You! Sep 09 2020

Essence of Shibari Jul 20 2021 The art of kinbaku, also known as shibari, is an elegant way to connect with a partner or add erotic spice in your life. Japanese-style bondage artist Shin Nawakiri shares his safe, sexy, and beautiful techniques in this newly-translated book, which contains numerous ties for the beginner artist and for intermediate or advanced players, including: sensual body wrapping without knots, binding one wrist or body column, body harnesses, futomomo (thigh ties), and takate kote (chest and arm binding). Explore the history of kinbaku, practical shibari for graceful and steamy play, the psychology of bondage (for those tying and those being bound), and more. Now is your time to enjoy this delicious

form—learning from a renowned rope artist in the privacy of your home.

Iro: the Essence of Color in Japanese Design Apr 28 2022 The first and only survey of Japanese design as seen through the lens of Japan's traditional color spectrum - an exquisitely packaged fresh take on a universally popular topic The traditional colors of Japan have been in use since the seventh century, originally to indicate rank and social hierarchy but, over time, their significance has broadened to include all manner of designed objects. This landmark volume celebrates a curated selection of 200 colors (iro in Japanese), with each traditional shade illustrated by one or more items - ranging from 16th-century kimonos to contemporary chairs, humble kitchen utensils to precious ceramics - providing a unique route to a deeper appreciation of Japanese design. Expertly bound in a traditional Japanese style, this stunning book is a beautiful design object in its own right and is a must-have for all lovers of design.

The Essence of Shinto May 18 2021 In The

Essence of Shinto, revered Shinto master Motohisa Yamakage explains the core values of Shinto and explores both basic tenets and its more esoteric points in terms readily accessible to the modern Western reader. He shows how the long history of Shintoism is deeply woven into the fabric of Japanese spirituality and mythology--indeed, it is regarded as Japan's very spiritual roots--and discusses its role in modern Japan and the world. He also carefully analyzes the relationship of the spirit and the soul, which will provide informed and invaluable insight into how spirituality affects our daily existence. Through the author's emphasis on the universality of Shinto and its prevalence in the natural world, the book will appeal to all readers with an appreciation of humanity's place in nature and the individual's role in the larger society.

bento boxes, calligraphy brushes, and Shoji sliding doors to Noguchi's Akari lamp, the iconic Kikkoman soy sauce bottle, and a modern‐day kimono designed by Issey Miyake. Printed on craft paper and bound in the traditional Japanese style, WA features stunning, full‐page illustrations and an introduction by MUJI art director Kenya Hara.

Kyudo May 30 2022 This guide to the spiritual and technical practice of this graceful martial art, by 15th-generation master Hideharu Onuma, includes illustrations and rare photographs.

Kyudo-the Way of the Bow-is the oldest of Japan's traditional martial arts and the one most closely associated with bushido, the Way of the Warrior. After the Second World War Eugen Herrigel introduced the concept of kyudo to the West in his classic Zen in the Art of Japanese Archery. But until now, no Japanese kyudo master has published a book on his art in English. In Kyudo: The Essence and Practice of Japanese

The Essence of Japanese Cuisine Oct 03 2022

The past few years have shown a growing interest in cooking and food, as a result of international food issues such as BSE, world trade and mass foreign travel, and at the same time there has been growing interest in Japanese Studies since the 1970s. This volume brings together the two interests of Japan and food, examining both from a number of perspectives. The book reflects on the social and cultural side of Japanese food, and at the same time reflects also on the ways in which Japanese culture has been affected by food, a basic human institution. Providing the reader with the historical and social bases to understand how Japanese cuisine has been and is being shaped, this book assumes minimal familiarity with Japanese society, but instead explores the country through the topic of its cuisine.

The Japanese Print Nov 11 2020

The Satsuma Students in Britain Feb 01 2020 In the spring of 1865, when Japan was in the grip of a major civil war, eighteen samurai and an interpreter risked their lives to embark secretly on a voyage to the unknown lands of the barbarian west. Their destination was Britain - at the hub of a vast empire. These were the Satsuma students, some of them still in their teens, all carrying orders from their domains to travel abroad. It was an extraordinary and daring expedition. Their experience of life in the west not only transformed their perception of the outside world, but through their diverse activities in later life, had a profound impact on commerce, education and culture in Meiji Japan. First published in 1974, Inuzuka Takaaki's study is still the classic work on the Satsuma students' revealing tale of discovery. In this translation by Andrew Cobbing, further details that have since emerged are also included to give a fresh portrayal, the first in English, of this singular episode in the opening of Japan.

The Essence of Dōgen Dec 13 2020 First published in 1983. Routledge is an imprint of Taylor & Francis, an informa company.

Kumihimo Sep 02 2022 Elementary techniques of 12 maru-dai, 30 kaku-dai and 20 ayatake-dai are included.

Katachi Mar 28 2022 Untranslatable, the word katachi signifies the essence of Japanese design: the form, symmetry, and workmanship of traditional craft. Embodying the marriage of beauty and functionality that is the key to the Japanese aesthetic, the objects presented in Katachi are made of materials that have played an important role in Japanese life for centuries: wood, bamboo, stone, fiber, metal, earth. The photographs, in black-and-white and color, showcase pieces ranging from exquisite geometric stone carvings and architecturally elegant shoji screens to such humble yet perfectly conceived objects as combs, sandals, rakes, and teapots. Twenty years in the making, photographer Takeji Iwamiya's masterwork is a

lovingly rendered tribute to these objects and the culture they sprang from. Japanese concepts of shape and form have been a major influence on contemporary design throughout the world, and this eloquent collection will appeal to designers as much as to connoisseurs of Japanese art and culture.

Poem of the Pillow and Other Stories By Utamaro, Hokusai, Kuniyoshi, and Other Artists of the Floating World Jun 26 2019

Manchurian Legacy Jun 06 2020 Kazuko Kuramoto was born and raised in Dairen, Manchuria, in 1927, at the peak of Japanese expansionism in Asia. Dairen and the neighboring Port Arthur were important colonial outposts on the Liaotung Peninsula; the train lines established by Russia and taken over by the Japanese, ended there. When Kuramoto's grandfather arrived in Dairen as a member of the Japanese police force shortly after the end of the Russo-Japanese War in 1905, the family's

belief in Japanese supremacy and its "divine" mission to "save" Asia from Western imperialists was firmly in place. As a third-generation colonist, the seventeen-year-old Kuramoto readily joined the Red Cross Nurse Corps in 1944 to aid in the war effort and in her country's sacred cause. A year later, her family listened to the emperor's radio broadcast ". . . we shall have to endure the unendurable, to suffer the insufferable." Japan surrendered unconditionally. Manchurian Legacy is the story of the family's life in Dairen, their survival as a forgotten people during the battle to reclaim Manchuria waged by Russia, Nationalist China, and Communist China, and their subsequent repatriation to a devastated Japan. Kuramoto describes a culture based on the unthinking oppression of the colonized by the colonizer. And, because Manchuria was, in essence, a Japanese frontier, her family lived a freer and more luxurious life than they would have in Japan—one relatively unscathed by the war until

Honpa Hong wanji Mission in Hawaii. It has now thirty four Churches - ten in Oahu, six each in Maui and Kauai and twelve in Hawaii - together with twenty-nine institutions of primary school grade and three of the intermediate grade under its superintendence. Such rapid progress of our mission work is mainly due to the fact that our countrymen here - most of them - came over to Hawaii from that part of the country where our faith held its firm ground during many hundred years. Seed. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Grab your colored pencils and matcha green tea for some tranquility and relaxation.

The Book of Ichigo Ichie Apr 04 2020 Find happiness by living fully in the present with this definitive guide to ichigo ichie--the Japanese art of making the most of every moment--from the bestselling authors of Ikigai. Every moment in our life happens only once, and if we let it slip away, we lose it forever--an idea captured by the Japanese phrase ichigo ichie (pronounced itchy-GO itchy-A). Often spoken in Japan when greeting someone or saying goodbye, to convey that the encounter is unique and special, it is a tenet of Zen Buddhism and is attributed to a sixteenth-century master of the Japanese tea ceremony, or "ceremony of attention," whose intricate rituals compel us to focus on the present moment. From this age-old concept comes a new kind of mindfulness. In *The Book of Ichigo Ichie*, you will learn to... appreciate the beauty of the fleeting, the way the Japanese celebrate the cherry blossoms for two weeks every April, knowing they'll have to wait a whole year to see them again; use all five senses to

anchor yourself in the present, helping you to let go of fear, sadness, anger, and other negative emotions fueled by fixating on the past or the future; be alert to the magic of coincidences, which help us find meaning among the disconnected events of our lives; use ichigo ichie to help you discover your ikigai, or life's purpose--because it's only by learning to be present, to be tuned into what catches your attention and excites you in the moment, that you can identify what it is that most motivates you and brings you happiness. Every one of us contains a key that can open the door to attention, harmony with others, and love of life. And that key is ichigo ichie. A PENGUIN LIFE TITLE

Essence of Japanese : learn Japanese without a teacher Jun 30 2022

The Cambridge History of Japanese Literature Jul 28 2019 The Cambridge History of Japanese Literature provides, for the first time, a history of Japanese literature with

comprehensive coverage of the premodern and modern eras in a single volume. The book is arranged topically in a series of short, accessible chapters for easy access and reference, giving insight into both canonical texts and many lesser known, popular genres, from centuries-old folk literature to the detective fiction of modern times. The various period introductions provide an overview of recurrent issues that span many decades, if not centuries. The book also places Japanese literature in a wider East Asian tradition of Sinitic writing and provides comprehensive coverage of women's literature as well as new popular literary forms, including manga (comic books). An extensive bibliography of works in English enables readers to continue to explore this rich tradition through translations and secondary reading.

Japanese Art and Design Feb 12 2021 The V&A's greatest treasures from the Toshiba Gallery of Japanese Art shine in this newly updated overview of Japanese art from the last

four centuries. These superb holdings, acquired over a period of 150 years, started with the international exhibitions of the second half of the nineteenth century and have grown to include exciting contemporary work by leading artists. The result is an unrivalled collection of Japan's achievements in art and design, with a particular emphasis on ceramics, lacquer, textiles, prints and metalwork.

Shunga Aug 01 2022 Stories, terms and extracts of illustrated scrolls, known as pillow books, that reflect the atmosphere of Shunga or Japanese eroticism.

Food Culture in Japan Mar 04 2020 This timely book satisfies the new interest and taste for Japanese food, providing information on foodstuffs, cooking styles, etiquette, and more.

The Essence of Budo Mar 16 2021 The study of budo, or the Japanese martial arts for self-cultivation, is a lifelong path toward perfection of character. Here, Dave Lowry, a sword master who has practiced and taught budo for over forty

years, addresses the myriad issues, vagaries, and inconsistencies that arise for students of karate-do, judo, kendo, kenjutsu, aikido, and iaido as their training develops. He examines such questions as: • What is the relationship between the student and teacher, and what should one expect from the other? • What does rank really mean? • How do you correctly and sensitively practice with someone less experienced than you? • What does practice look like as one ages? • Why do budo arts put such an emphasis on etiquette? • And many others. Lowry also gives practical advice for beginning and advanced students on improving structural integrity in posture and movement, focusing under stress, stances and preparatory actions before engaging with an opponent, and recognizing a good teacher from a bad one.

The Aesthetics of the Japanese Lunchbox May 06 2020 Kenji Ekuan uses the lunchbox as a key to an understanding of Japanese civilization, the spirit of form, and the aesthetic ideal in

which the many are reduced to one.

The Essence of Japanese Style Jan 26 2022

Explores unique elements of the country's design and architecture

Japan's Reluctant Realism Aug 28 2019 In Japan's Reluctant Realism , Michael J. Green examines the adjustments of Japanese foreign policy in the decade since the end of the Cold War. Green presents case studies of China, the Korean peninsula, Russia and Central Asia, Southeast Asia, the international financial institutions, and multilateral forums (the United Nations, APEC, and the ARF). In each of these studies, Green considers Japanese objectives; the effectiveness of Japanese diplomacy in achieving those objectives; the domestic and exogenous pressures on policy-making; the degree of convergence or divergence with the United States in both strategy and

implementation; and lessons for more effective US - Japan diplomatic cooperation in the future. As Green notes, its bilateral relationship with the United States is at the heart of Japan's foreign policy initiatives, and Japan therefore conducts foreign policy with one eye carefully on Washington. However, Green argues, it is time to recognize Japan as an independent actor in Northeast Asia, and to assess Japanese foreign policy in its own terms.

Japan in 100 Words Dec 01 2019 As its title suggests, this book captures the essence of Japanese life and culture in 100 words. From well-known concepts like zen, kawaii and anime

to their lesser-known counterparts waiting to be discovered by the West, Japan in 100 Words covers it all. Readers will learn more about: Chochin--decorative lanterns seen everywhere from shrines and temples to izakaya Fugu--the very carefully prepared delicacy of poisonous blowfish J-pop--the now widely popular musical genre Karoshi--literally translated as overwork death Omiai--the Japanese version of an arranged marriage And much more! The beautiful full-color illustrations bring these ideas, places and objects to life--making it the perfect addition to any Japanophiles library or a fun and useful introductory guide for a first-time visitor to Japan.
