Conversational Spanish Quick and Easy Nov 21 2021 Have you always wanted to learn how to speak Spanish but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yahir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations work—discoveries that are detailed further in this book—Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant now. If you want to learn complicated grammar rules, or to speak perfectly proper and precise Spanish, this book is not for you. However, if you need to actually hold a conversation while on a trip to a Spanish-speaking country, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. This is one of the several, in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With *Conversational Spanish Quick and Easy*, all you need are fifty-three pages. Learn Spanish today, not tomorrow, and get started now!

Waking Up Nov 29 2019 For the millions of Americans who want spirituality without religion, Sam Harris's latest New York Times bestseller is a guide to meditation as a rational practice informed by neuroscience and psychology. From Sam Harris, neuroscientist and author of numerous New York Times bestselling books, *Waking Up* is for the twenty percent of Americans who follow no religion but who suspect that important truths can be found in the experiences of such figures as Jesus, the Buddha, Lao Tzu, Rumi, and the other saints and sages of history. Throughout this book, Harris argues that there is more to understanding reality than science and secular culture generally allow, and that how we pay attention to the present moment largely determines the quality of our lives. *Waking Up* is part memoir and part exploration of the scientific underpinnings of spirituality. No other book marries contemplative wisdom and modern science in this way, and no author other than Sam Harris—a scientist, philosopher, and famous skeptic—could write it.

101 Conversations in Mexican Spanish: Short Natural Dialogues to Learn the Slang, Soul, and Style of Mexican Spanish (Spanish Edition) Jan 24 2022 Improve your spoken Spanish from home with 101 real-world conversations in intermediate Mexican Spanish. Real Mexicans don't speak like your textbook... so it's no wonder you struggle with the slang and expressions of spoken Mexican Spanish! This book fixes that. For the first time, you'll learn to move beyond beginner level, and speak Spanish in the real world! With 101 authentic conversations in intermediate Mexican Spanish, and a brand-new story in this edition, you'll become confident in the words, phrases and

expressions you need to communicate like a local. 101 Conversations in Mexican Spanish transports you into a real-world, brand-new story that unfolds between eight Mexican characters, told by the people themselves. Over 15,000 words of real Mexican Spanish, you'll immerse yourself in a gripping Mexican drama and get an education in natural Spanish in the process. Here's what you'll get: 101 conversations in intermediate Mexican Spanish, so you can learn the real Spanish spoken in the street, understand spoken Mexican slang with ease, and have local expressions roll off your tongue more fluently. Over 15,000 words of dialogue - an unparalleled resource that will immerse you in Spanish, at a level you can understand. You'll learn real spoken Spanish without getting lost or overwhelmed. Real, daily spoken Mexican Spanish throughout - it's as if we held up a microphone and recorded the exact words coming out of people's mouths - so you can learn the expressions that real people use on the street (not in textbooks). You'll sound more authentic when you speak and make Spanish-speaking friends more easily. Situational dialogues from typical daily circumstances, so you can prepare yourself to survive realistic Mexican Spanish encounters, in shops, cafés, and on the street, making meeting people second nature. Conversations that are carefully written to be accessible for intermediate learners (B1-B2 on the CEFR), so you can learn from real, spoken conversations, without having to go through the rollercoaster of difficult conversations with strangers. Each conversation is limited to around 15 lines of dialogue (150 words), so you can get that crucial sense of achievement and motivation when you finish each conversation, and say "I actually understood all of that!" Word lists with English definitions in every chapter, so you can get instant translations of any difficult words. This means you can focus on enjoying the story rather than wasting time in a dictionary. Summaries of each conversation which contextualise each dialogue, so you can easily follow the plot and enjoy the story without getting lost. Created by Olly Richards, internationally-renowned language teacher and author, 101 Conversations in Mexican Spanish gives you an experience in real Spanish that you won't find anywhere else. You'll be better prepared for using Spanish in the real world, speak with more confidence, and take a giant leap towards fluency in Spanish!

Hello, Fears Aug 26 2019 For readers of empowering non-fiction such as DARING GREATLY and GIRL, WASH YOUR FACE, Hello, Fears is a growth mindset personal development book for those who are not only ready to achieve, but reckless enough to push out of their comfort zone. What's the best that can happen? As the Founder of Hello Fears, a social movement empowering millions to live with courage and tap into their full potential, Michelle Poler lives happily outside the comfort zone. Not, in this inspiring and motivational new book, Michelle is challenging others to say Hello! to their fears and find meaningful happiness outside the traditional definition of success. With kick-butt attitude and a humorous *wink*, Michelle breaks down each set-back she battled on the road towards joyful purpose. Her stories and practical strategies encourage readers to name, accept, and embrace what's holding them back so they can be the heroine in their own life, not the victim. Hello, Fears! is an honest, empowering guide to living alongside what scares you. Our fears reveal what we care about the most, so each and every challenge is an opportunity to grow, hustle, and be your authentic self - unapologetically.

Fluent in 3 Months Oct 21 2021 Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world. Fluent in 3 Months. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

Language Hacking Spanish Mar 14 2021 It's true that some people spend years studying Spanish before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of Spanish, #LanguageHacking shows you how to learn and speak Italian through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks - shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in Spanish from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book. You don't need to go abroad to learn a language any more.

Dare to Lead Mar 02 2020 #1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Don't miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your

culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read Daring Greatly and Rising Strong or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

1001 Top Spanish Words in Context May 16 2021 Have you been desperately trying to learn Spanish but simply can't find the way to take the first steps? Do you dislike overly grammatical learning material and just want to learn in a natural, fun fashion? Are you looking for the most sensible, quickest and most reliable way to learn Spanish where the whole method is backed by reliable scientific research? If you answered yes to at least one of the questions above, then this guide is exactly for you. For those who've despaired of ever learning a foreign language, here, finally, is a book that will make the words stick long-term. Possibly the most feared challenge to learning Spanish is the challenge of memory; there are just too many words and too many rules to remember. For every new word we learn, we seem to forget two old ones, and as a result, fluency can seem out of reach. That is exactly why "1001 Top Spanish Words In Context" was written. According to Professor Elfrieda H. Hieber from the University of California, Berkeley, The 100 most frequent words account for about 50% of the words in a typical text and the 1000 most frequent words for about 70%. Therefore it is evident that the first 1000 words of learning a language can provide you with an immense boost on your journey to master the language. In '1001 Top Spanish Words In Context' you'll discover: The 7 most common contexts to INSTANTLY kickstart your learning process (even if you barely know a word at the moment!) The exact formula to use expressions, proverbs, and sayings like a native speaker The latest scientific research about language learning combined with a practical guide you will not find on your average online learning website The single best way to increase your reading and listening comprehension, and enable you to communicate with little or no grammar How a simple grouping of thematic vocabulary lists can take tremendous fear from getting started and make everything suddenly seem 10x easier The absolute basic 4 areas of phrases you HAVE to know to communicate in Spanish as quickly as possible (You might be missing out tremendously if you don't know these!) ...and much, much more! Even if you have already tried everything else without success, the beginner friendly and systematic choice of words and phrases are based on both practical experience as a native speaker and the latest scientific research. Thus, '1001 Top Spanish Words in Context' is your shortcut to master the hard beginning in the easiest way possible. So if you want to finally turn into a Spanish speaker nearly overnight with just one single concept, click "Add to Cart" now! ** Buy the Paperback version and get the Kindle eBook version included for FREE! **

Fluent Forever Apr 02 2020 NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

The Spanish Love Deception Sep 07 2020 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic from NYC and all the way to Spain for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

Beyond Expectations Dec 31 2019 Beyond Expectations is the author's narrative of a six-day walk on the Camino Portugués from Tui to Santiago de Compostela, Spain. Her pilgrimage is 118 km, walking 20 km a day, on average, enough to earn the Compostela, or certificate of completion for pilgrims who walk to Santiago as seekers of a deeper connection with Spirit and oneself. The author, a middle-aged woman on the brink of divorce, describes both the outer landscape and the inner landscape of her thoughts as she explores where she's been and where she's going in her life journey. Grateful to have survived a career change after experiencing debilitating depression and anxiety, she dedicated her walk to those who struggle with mental health issues. She raised money for the Project Happiness organization's Race for Wellness during her walk. Profits from this book's sales will be donated to organizations that educate people of all ages about mental health and emotional resiliency. Her current career is teaching English as a Foreign Language to professionals who use English as the common language for international business, academics, and travel.

She designed the book with these intermediate to advanced learners in mind. Included in the Appendix are English and Spanish glossaries, and packing and resource lists. Additional learning materials are available on her website, www.conversationswithkate.net. The book can also stand alone as information for anyone wishing to spend a week walking on the Camino Portugués or readers seeking inspiration to examine the expectations in their own lives. Beyond Expectations describes one woman's way to rise above expectations that were holding her back, and in so doing, she experienced an adventure that was beyond her expectations.
