The Rust Programming Language is the official book on Rust: an open source systems programming language that helps you write faster, more reliable software. Rust offers control over low-level details (such as memory usage) in combination with high-level ergonomics, eliminating the hassle traditionally associated with low-level languages. The authors of The Rust Programming Language, members of the Rust Core Team, share their knowledge and experience to show you how to take full advantage of Rust's features—from installation to creating robust and scalable programs. You'll begin with basics like creating functions, choosing data types, and binding variables and then move on to more advanced concepts, such as: • Ownership and borrowing, lifetimes, and traits • Using Rust's memory safety guarantees to build fast, safe programs • Testing, error handling, and effective refactoring • Generics, smart pointers, multithreading, trait objects, and advanced pattern matching • Using Cargo, Rust's built-in package manager, to build, test, and document your code and manage dependencies • How best to use Rust's advanced compiler with compiler-led programming techniques You'll find plenty of code examples throughout the book, as well as three chapters dedicated to building complete projects to test your learning: a number guessing game, a Rust

implementation of a command line tool, and a multithreaded server. New to this edition: An extended section on Rust macros, an expanded chapter on modules, and appendixes on Rust development tools and editions. **Dark Souls - the Official Guide (Hardcover)** Jan 06 2021 Prepare To Die Less with this Hardback Guide to Dark Souls !!Going into Dark Souls unaided will get you killed. The Official Guide to Success Nov 04 2020

The Official Guide to Success is a dynamic success system proven to bring you greater wealth, direction, self-confidence, and fulfillment! This book is packed with Motivation and Inspiration from Tom Hopkins... developed during his record-breaking sales career. Overcome emotional handicaps and break free from the past through Tom's variety of topics packed with dynamite success secrets! In The Official Guide to Success you will discover: Why it makes more sense to work smarter and not harder How to use what Tom calls "self-instructions" to gain control over situations in your life How to "find yourself" and win through a special life-planning technique Strategies for training your subconscious mind for heavy problem solving The three basic steps to wealth Plus much more! Using Tom's Explosive Success Secrets you will find yourself blasting through roadblocks, re-wiring bad habits, and unleashing your inner genius. After you read this book you will be a different person. You'll think differently and because of having better, stronger thought processes you'll act differently. Success. It's something we all wish for. But for many, success eludes them. For others, it seems to fall into their laps. Are some people just luckier than others? No. Success is by design. And probably the best person you could learn the secrets to success from is a salesperson who once struggled, but figured out the answers for himself. A salesperson's income, be it big or small, is based on his or her mindset. Daily, the salesperson must enter the lion's den of business to convince total strangers to exchange their money for goods and services. And daily, the salesperson must overcome his or her fears and the punishing sting of rejection. Winners take all in this field. The most accomplished earn staggering incomes, develop rewarding networks of friends, and live the American dream. This message isn't about learning how to sell. No it's about discovering Tom Hopkins' decades worth of hard-won success secrets to create your ideal life with unlimited opportunities for more fun and advancement!

The Kennel Club's Illustrated Breed Standards: The Official Guide to Registered Breeds Oct 23 2019 The Kennel Club's Breed

Standards form the basis for judging dogs at all licensed breed shows. This fully revised edition of the authoritative guide outlines the descriptive 'standards' for each of the 201 pure breeds of dog now recognised by the Kennel Club. The book has been completely updated by a panel of experts to incorporate the latest standards for all breeds in each of the principal categories - Hound, Gundog, Terrier, Utility, Working, Pastoral and Toy. As well as providing a beautiful colour photograph of each dog, each entry contains a history of the breed, including its origins and function, as well as a full description outlining its essential features. There is also useful advice on the nature of each breed and practical information to help guide anyone who is buying a dog, as well as a glossary of canine terms. This book is essential reading for anyone who owns, or hopes to own, a pedigree dog and is indispensable for breeders, judges and those professionally involved with dogs.
