This is likewise one of the factors by obtaining the soft documents of this Esv Study Bible Mossad by online. You might not require more become old to spend to go to the books foundation as well as search for them. In some cases, you likewise pull off not discover the broadcast Esv Study Bible Mossad that you are looking for. It will unconditionally squander the time.

However below, in the manner of you visit this web page, it will be in view of that entirely simple to acquire as well as download guide Esv Study Bible Mossad

It will not agree to many become old as we notify before. You can complete it though undertaking something else at home and even in your workplace. consequently easy! So, are you question? Just exercise just what we manage to pay for under as with ease as evaluation Esv Study Bible Mossad what you in the manner of to read!

Bible Study Nov 21 2021 Reality TV has allowed us to look into the lives of our favorite celebrities and the lives of everyday people. We have seen their strengths and their weaknesses. We have seen their successes and even their failures. Reality TV is a new global sensation but this is not new to God. Through the scriptures, God has allowed us to look into the lives of kings, queens, warriors and everyday people who dared to believe in God. God's intent of a realistic view of His biblical persons and people is to strengthen and educate us in life. We can learn from their successes and failures, be encouraged by their faith and humbled by their fears and disappointments. Therefore, let's take a realistic view of the Bible through the Life of David.

[Studying the Ancient Israelites](#) Apr 14 2021 Offers readers a concise introduction to the tools and data available for investigating the world of ancient Israel.

[In Search of 'Ancient Israel'](#) Nov 09 2020 The appearance of In Search of 'Ancient Israel' generated a still-raging controversy about the historical reality of what biblical scholars call 'Ancient Israel'. But its argument not only takes in the problematic relationship between Iron Age Palestinian archaeology and the biblical 'Israel' but also outlines the processes that created the literature of the Hebrew bible—the ideological matrix, the scribal milieu, and the cultural adoption of a national literary archive as religious scripture as part of the process of creating 'Judaisms'. As such, in this volume Philip R. Davies challenges the whole spectrum of scholarly consensus about the origins of 'Israel' and its scriptures, in a manner that is both learned and accessible. For this new edition Davies has provided a new extended introduction, in which he considers how the debate has raged since the book was first published, and in which he repositions this classic work within the present scholarly context.

[Genesis 12 to 33](#) Aug 07 2020 John MacArthur takes readers through Genesis 12 33, exploring the historical period beginning with Abraham's call from God, continuing through his relocation to Canaan, and concluding with the story of his grandsons Jacob and Esau. This study can be used for personal reflection or for use in a small-group setting.

Daniel and Esther Dec 23 2021 Many of God's people through the ages have been called to endure times of hardship, loneliness, and suffering. Some, such as Daniel and Esther, were even members of a race carried away to a foreign land that had never heard of the God of Israel. Their lives were not easy, but even in the midst of trials, these men and women discovered that God was with them—and that He was actively leading the events in their lives. In this study, John MacArthur guides readers through an in-depth look at the historical period of Israel's exile beginning with the prophet Daniel being carried off to Babylon, continuing through the rise of the Persian Empire, and concluding with Esther's reign as queen. Studies include close-up examinations of Daniel, Nebuchadnezzar, Esther, Haman, and others, as well as careful considerations of doctrinal themes such as "Standing Boldly for God" and "God's Sovereignty Over the Future." The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.

Niv Cultural Background Study Bible May 04 2020 A brand new Study Bible in the bestselling NIV translation, designed to help readers engage Scripture with more understanding by exploring the cultural, religious, and historical background of the Bible. To understand the Bible's cultural context to its fullest requires a lifetime of study. The NIV Cultural Background Study Bible is designed to give readers an overview of the cultures that influenced those living in Biblical times so they can engage the text with more understanding—even if they are not a full-time scholar. The NIV Cultural Background Study Bible allows readers to place God's Word in its original cultural context, bringing Scripture to life by providing fresh understanding on familiar passages, beloved stories, and all the Scripture in between. In a stylish Italian-Duo Tone Black/Dark Charcoal binding, the NIV Cultural Background Study Bible will introduce readers to a world vastly different from their own, and as a result, they'll truly experience all the Bible has to say to them.

[Minor Prophets of Israel](#) Jun 28 2022 In this Self-Study Guide you'll discover God's eminent power evidenced both in word and deed through the first three of the minor prophets: Jonah, Amos, and Hosea. Their timeless teachings hold spiritual application for God's people of all ages, especially modern-day believers. The topics covered by these prophets include God's love and concern for His children, a call to repentance and holy living, and the certainty of future judgment. The books in the Jensen Bible Self-Study Guide series are designed to provide you with a broader understanding of God's Word. Offering historical context and background, author information, charts, and other helps, these books will equip you with a comprehensive reference tool you'll return to often. Each study includes an opportunity for analysis, response, and further study in a response-oriented format. The thirty-nine books in this series are suitable for both personal and group use.

Miracle of Israel Dec 31 2019 Everyone is looking for a miracle. Families devastated by a faltering economy. A college student facing the horrific diagnosis of cancer. Corporately, whole nations are teetering on the brink of despair and chaos. The Miracle of Israel is a stunning examination of the millennia-old love that God has for His people that: Clearly conveys the promise God gave to Abraham Examines the ancient prophecies regarding Israel that have happened and are unfolding even today Provides an easy-to-read timeline of miracle after miracle related to the nation of Israel Tracing the history of the Jewish people to the present day, the authors look at prophecy after prophecy that clearly attest to the Lord's miraculous promises. From historical records to personal, dramatic stories, the Miracle of Israel shows us that in keeping epic promises to the nation of Israel, God's provision for each of us is sure, perfect, and on time, every time.

The Messianic Aleph Tav Scriptures Paleo-Hebrew Study Bible Sep 27 2019 The Messianic Aleph Tav Scriptures (MATS) is a study bible which focuses on the study of the Aleph Tav character symbol used throughout the old testament (Tanakh) by both Moses and the Prophets and is the most exhaustive and unique rendition of its kind in the world. Over 5 years in the making, this English rendition reveals every place the Hebrew Aleph Tav symbol was used as a "free standing" character symbol believed to express the "strength of the covenant" in its original meaning. The Aleph Tav was believed also to be the "mark" of the "divine hand" for thousands of years by such famous rabbis as Nahum of Gimzo, Akiva, and R. S. Hirsch as well as the Apostle John. Also revealed in MATS is the use of the Aleph Tav as it is incorporated into the creation of hundreds of Hebrew words used thousands of times throughout the Tanakh and how the "mark" incorporates Y'shua haMashiach (Jesus the messiah), as well as all mankind and creation, which substantiates and expresses its divinity, thus taking our understanding of the scriptures to a whole new level. MATS comes in your choice of either Paleo or Modern Hebrew editions in a trim size of the regular 6"x9" or the large print edition 8.5"x11".

I & II Samuel Jan 30 2020 The books of Samuel present a drama in which the principal players are the God of Israel, the prophet Samuel, and the first kings of Israel, Saul and David. In his masterful commentary David F. Payne shows that this Old Testament book combines history and theology as it narrates Samuel's virtues, Saul's defeats, and David's successes in relation to God's activities during an important phase in the life of Israel. Carrying forward brilliantly the pattern established by Barclay's New Testament series, the Daily Study Bible has been extended to cover the entire Old Testament as well. Invaluable for individual devotional study, for group discussion, and for classroom use, the Daily Study Bible provides a useful, reliable, and eminently readable way to discover what the Scriptures were saying then and what God is saying today.

In Search of "Ancient Israel" Nov 02 2022 The appearance in 1992 of 'In Search of Ancient Israel' generated a still raging controversy about the historical reality of what biblical scholars call 'Ancient Israel'. But its argument not only takes in the problematic relationship between Iron Age Palestinian archaeology and the biblical 'Israel' but also outlines the processes that created the literature of the Hebrew bible—the ideological matrix, the scribal milieu, and the cultural adoption of a national literary archive as religious scripture as part of the process of creating 'Judaisms'. While challenging the whole spectrum of scholarly consensus about the origins of 'Israel' and its scriptures, it is written more in the style of a textbook for students than a monograph for scholars because, its author believes, it offers an agenda for the next generation of biblical scholars. In this reader-friendly polemic, Davies brilliantly addresses an essential issue and at numerous points represents a vanguard in biblical studies' (Robert B. Coote, Interpretation). 'A rich mine of provocative quotations, will provoke considerable opposition and debate, and deserves to be read and reflected on by all biblical scholars' (Keith Whitelam, SOTS Book List).

The Chronological Study Bible Nov 29 2019 A one-of-a-kind Bible presents the text of the New King James Version in the order in which the events actually happened, with notes, articles, and full-color graphics that connect the reader to the history and culture of Bible times.

Fulfilling the Feasts of Israel Jul 06 2020 The seven Jewish feasts, which God gave to ancient Israel, help unlock the entire Bible. They were not feasts as we think of them but were structured around the sacrificial altar to worship God. The Jewish people have celebrated these feasts, in one form or another, for 3,500 years, totally unaware they are rehearsing future events that point to the Messiah. It is unfortunate that Christians rarely celebrate the feasts or understand their significance. The feasts reveal God's divine seven-thousand-year plan of salvation for mankind. Each feast is celebrated on the same day each year, to remind of a special time in the history of Israel. They reveal a record of atonement in the Old Testament and point to redemption in the New Testament. The seven feasts paint a beautiful picture of God's plan of salvation through Christ, His Son. They point to the soon return of our Savior, Jesus Christ, and the glorious future reign of the Messiah. Christians refer to Him as Jesus Christ, while messianic believers call Him Yeshua. Understanding the significance of the feasts

encourages believers to share the good news of salvation with the lost. I pray you will be greatly blessed as you read Fulfilling the Feasts of Israel.

Joshua, Judges, and Ruth Mar 14 2021 The three books considered in this volume constitute the principal biblical witness to Israel's early history. According to A. Graeme Auld, "they tell the story of how under Joshua the land was first taken by Israel and then apportioned to her various tribes. They tell how after Joshua there was a long period of ups and downs; of religious apostasy within the community and repeated harassment from abroad answered by a series of divinely impelled 'Judges' or 'Deliverers.' They offer some samples of life in Israel, 'in the days when the Judges ruled' or 'when there was not yet a king in Israel.'" Carrying forward brilliantly the pattern established by Barclay's New Testament series, the Daily Study Bible has been extended to cover the entire Old Testament as well. Invaluable for individual devotional study, for group discussion, and for classroom use, the Daily Study Bible provides a useful, reliable, and eminently readable way to discover what the Scriptures were saying then and what God is saying today.

Israel and the Church Study Guide Oct 01 2022 Discover God's Plans for Israel, the Church, the End Times, and Beyond In his book *Israel and the Church*, bestselling author and native Israeli Amir Tsarfati illuminates God's current and future plans for His chosen ones—the Jewish people and the Christian church. With this instructive companion, you'll learn more about why these topics are so relevant today. Get ready to... understand and apply Bible prophecy to your daily life grow more aware of how God is working in Israel right now learn why it's so vital that Christians support Israel appreciate God's faithfulness to both the Jewish people and Christians To accurately comprehend what God has in store for the future, it's vital to understand His promises to Israel for all time. The *Israel and the Church Study Guide* will help you do exactly that, equipping you to explore the Bible's many revelations about what we can expect in the days and ages to come.

The Holy One of Israel Feb 22 2022 Growing out of the work that the author did in preparing two major commentaries on Isaiah, these essays range from comprehensive to specific, and from popular to scholarly. They first appeared in biblical dictionaries, scholarly journals, and popular periodicals. Gathered here for the first time, they display in various ways how the author sees the various parts of Isaiah functioning together to give a coherent message to the church. The opening chapters lay out Oswald's understanding of the overall message of the book of Isaiah. Subsequent chapters consider such themes as holiness and righteousness as they function in that larger structure. The concluding chapters look at selected sections of Isaiah in more detail, noting how those specific messages contribute to the overall whole.

Ezra, Nehemiah, and Esther Jun 04 2020 Set in the Persian Empire, one of the greatest kingdoms the world has ever known, the stories contained in the books of Ezra and Nehemiah provide the most comprehensive scriptural account of the restored Judean community after the Babylonian exile. The book of Esther is also set in the Persian period of Israel's history, although the concern is for a different community. Carrying forward brilliantly the pattern established by Barclay's New Testament series, the Daily Study Bible has been extended to cover the entire Old Testament as well. Invaluable for individual devotional study, for group discussion, and for classroom use, the Daily Study Bible provides a useful, reliable, and eminently readable way to discover what the Scriptures were saying then and what God is saying today.

Sacred History, Sacred Literature Apr 02 2020 Richard Friedman is well known in the field of biblical studies, not only because of his contributions to the study of the Hebrew Bible (which are many) but also because he has written cogently and clearly for a much wider audience, outside the academy, most notably in his *Who Wrote the Bible?* (1997). In addition, his influence has crossed the boundaries of a variety of disciplines such as source criticism, archaeology, the ancient Near East, as well as religious studies. The essays in this volume reflect the breadth and depth of Richard Friedman's life and work. Several contributors discuss topics related to the Hebrew Bible: for example, Jacob Milgrom examines the relationship between Ezekiel and the Levites and Carol Meyers discusses the Tabernacle texts in the context of Priestly influence on them; Ronald Hendel, Michael Homan, and Robert Wilson explore the history of source criticism, with detailed source-critical analysis of Genesis 1–11 and the book of Kings. Jeffrey Geoghegan discusses the origins of the Passover in one of several insightful essays under the topic "Israel and the Ancient Near East." Among the contributions specific to archaeology, Baruch Halpern's provides a provocative "Defense of Forgery." Lastly, four contributors (e.g., Alan Cooper) discuss religion and religious studies, along with ramifications for contemporary application. A fine collection of contemporary topics discussed by leading scholars in the field.

Israel and the Politics of Land Mar 26 2022 March gives special attention to the current reality of the state of Israel, the history and biblical data regarding the significance of land, and a theological understanding of the relationship of biblical Israel to contemporary Israel.

David Oct 09 2020 Ancient-Future Bible Study incorporates contemporary study of the Bible with an experience of the church's most ancient way of reading Scripture, *lectio divina*. This time-honored practice consists of five basic movements: biblical study (*lectio*), reflection (*meditatio*), prayer (*oratio*), discernment (*contemplatio*), and contemplative action (*operatio*). In six clearly written volumes, bestselling author Stephen Binz helps readers study the Bible in a way that leads to spiritual transformation and brings them closer to God. Binz leads readers in a vivid study of key biblical characters, including Abraham, Paul, Peter, David, the women of the Torah, and the women of the Gospels. He shows all Christians who desire to have a transforming experience with the inspired Word of God how studying Scripture through *lectio divina* can enrich their discipleship. This ecumenical Bible study, designed for use by individuals or groups, includes questions for personal reflection and suggested action. Each volume includes leader's notes for guiding a study over the course of six sessions.

Families in Ancient Israel Aug 19 2021 Four respected scholars of the Hebrew Bible and early Judaism provide a clear portrait of the family in ancient Israel. Important theological and ethical implications are made for the family today. The Family, Culture, and Religion series offers informed and responsible analyses of the state of the American family from a religious perspective and provides practical assistance for the family's revitalization.

Quest - Early History of Israel Apr 26 2022

Zion's Christian Soldiers? Jun 24 2019 Many Bible believing Christians are convinced that God blesses those nations that stand with Israel and curses those that don't. This belief has had a significant influence on attitudes towards the ongoing Palestinian-Israeli conflict in the Middle East. Claims made in books like the Scofield Reference Bible and Hal Lindsey's *The Late Great Planet Earth* have fed into contemporary Christian Zionism, with radical implications for how we view our faith and the world in which we live. Stephen Sizer contends that this view is based on misinterpretation of the Bible. He provides an introduction to Christian Zionism and a clear response and positive alternative based on a careful study of relevant biblical texts. His intention is to encourage dialogue on the relationship between Israel and the Christian church and offer a more constructive view of the future and our role in it. This accessible volume includes numerous tables and diagrams, questions for Bible study and further reflection, and a glossary of terms. It concludes with a previously unpublished sermon by John Stott on 'The Place of Israel.'

The Wiley Blackwell Companion to Ancient Israel Aug 26 2019 The Companion to Ancient Israel offers an innovative overview of ancient Israelite culture and history, richly informed by a variety of approaches and fields. Distinguished scholars provide original contributions that explore the tradition in all its complexity, multiplicity and diversity. A methodologically sophisticated overview of ancient Israelite culture that provides insights into political and social history, culture, and methodology Explores what we can say about the cultures and history of the people of Israel and Judah, but also investigates how we know what we know Presents fresh insights, richly informed by a variety of approaches and fields Delves into 'religion as lived,' an approach that asks about the everyday lives of ordinary people and the material cultures that they construct and experience Each essay is an original contribution to the subject

The Legacy of Israel in Judah's Bible Feb 10 2021 This book offers a new way for biblical scholars and archaeologists to envision how the Bible's story relates to history. It presents a fresh case for the urgency and interest of biblical study in historical context, embracing the complications of a text collection with the messy history of transmission and uncertain knowledge of the past. Focusing on structures of politics and society, the analysis is situated in the broad study of antiquity, so that ancient Israel may contribute to understanding problems in the classical world and other domains outside the Near East.

Biblical History and Israel S Past Aug 31 2022 Although scholars have for centuries primarily been interested in using the study of ancient Israel to explain, illuminate, and clarify the biblical story, Megan Bishop Moore and Brad E. Kelle describe how scholars today seek more and more to tell the story of the past on its own terms, drawing from both biblical and extrabiblical sources to illuminate ancient Israel and its neighbors without privileging the biblical perspective. *Biblical History and Israel s Past* provides a comprehensive survey of how study of the Old Testament and the history of Israel has changed since the middle of the twentieth century. Moore and Kelle discuss significant trends in scholarship, trace the development of ideas since the 1970s, and summarize major scholars, viewpoints, issues, and developments.

Women of the Torah Jan 12 2021 Ancient-Future Bible Study incorporates contemporary study of the Bible with an experience of the church's most ancient way of reading Scripture, *lectio divina*. This time-honored practice consists of five basic movements: biblical study (*lectio*), reflection (*meditatio*), prayer (*oratio*), discernment (*contemplatio*), and contemplative action (*operatio*). In six clearly written volumes, bestselling author Stephen Binz helps readers study the Bible in a way that leads to spiritual transformation and brings them closer to God. Binz leads readers in a vivid study of key biblical characters, including Abraham, Paul, Peter, David, the women of the Torah, and the women of the Gospels. He shows all Christians who desire to have a transforming experience with the inspired Word of God how studying Scripture through *lectio divina* can enrich their discipleship. This ecumenical Bible study, designed for use by individuals or groups, includes questions for personal reflection and suggested action. Each volume includes leader's notes for guiding a study over the course of six sessions.

The Jewish Study Bible Mar 02 2020 This study Bible offers readers of the Hebrew Bible a resource that is specifically tailored to meet their needs. It presents the centre of gravity of the Scriptures where Jews experience it.

In Search of Pre-Exilic Israel Dec 11 2020 In recent years there has been a tendency among certain scholars to claim that little can be known about pre-exilic Israel, because the Old Testament was only compiled in the post-exilic period (for example Philip Davies, Thomas Thompson, Neils Peter Lemche). One scholar (Lemche) has even claimed that the Old Testament is a Hellenistic work. The purpose of this book is to argue that this is an extreme and untenable position and that, though much of the Old Testament was indeed edited in the exilic or post-exilic period, many of the underlying sources used go back to the pre-exilic period. When critically analyzed these sources can shed much light on the pre-exilic period. This important work is the product of a team of seventeen international scholars, no fewer than five of whom are Fellows of the British Academy. None of the chapters has previously been published.

The Story of Israel Jul 26 2019 This book by C. Marvin Pate, J. Scott Duvall, J. Daniel Hays, E. Randolph Richards, W. Dennis Tucker Jr. and Preben Vang explores the unitive theme of the story of Israel from Genesis to Revelation—offering both close-up examinations of key texts and panoramic shots of the biblical terrain to unfold an intriguing and compelling perspective on biblical theology.

Ezra and Nehemiah Oct 21 2021 The people of Israel were carried away to Babylon, where they lived as exiles and outcasts. God sent this judgment on His people because of their continued unfaithfulness to His word—but the day came when He called them to return to Jerusalem. However, when they arrived there, they discovered things had dramatically changed for the worse. The Temple was destroyed, the city walls were torn down, and the land had been taken over by people who did not want them back. There was work to be done, and it was not going to be easy. In this study, John MacArthur guides readers through an in-depth look at the historical period beginning with Ezra's early return to Jerusalem, continuing through the teachings of Israel's prophets during the time, and concluding with Nehemiah and the people's rebuilding efforts in the city. Studies include close-up examinations of Ezra, Nehemiah, Haggai, Zechariah, and others, as well as careful considerations of doctrinal themes such as "Unequally Yoked" and "Worshipping God." The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.

Israel Or Jacob's New Name Jul 18 2021

The Study of the Twelve Tribes of Israel Jul 30 2022 This material will be based on several things to tie a lot of things together, that might have been hindering us as Christians to grow to our potential. You see there are keys in the word of God that must be understood. To receive the total blessing of the promises we must be in compliance of God's revelation for man. Within the keys we find many things and within this material we are going to be looking for a greater understanding of Christ Jesus. I found the best way to do that is to study the tribes. For which will

enhance our understanding of the Old Testament, and exactly how things connected to the New Testament. And most of all give us better understanding of the Savoir our Lord Jesus Christ, through understanding His character. We will look at the four major characteristics of our Lord. To see how His perfection of the traits that combined together outlined the characteristic which the tribes possessed. Each trait is a key in our understanding of a closer walk with Christ. As we see the riches in getting closer to the perfect character of Christ Jesus in our daily life. To enhance our life in such a way that we can have victory in areas were we struggle. Not saying we are going to be perfect here on earth, but we can strive to be better each day. We will also decipher some keys which will unlock and give clarity in some things in the New Testament. That will enrich our lives forever! God Bless You! Let's get started. The power in God's revelation instead of man's interpretation sets free some things that hinders. This book will be looking at the qualities or traits that build characteristics that combined with other characteristics built Christ Jesus character. With the understanding of the Tribes will give the quality that builds characteristics that grows and develops character. Enjoy the readings you have my Blessings as well as my Prayers! God Bless

Future Israel Oct 28 2019 Horner examines the Bibles consistent pro-Judaic direction in this third volume in the New American Commentary Studies in Bible and Theology series for pastors, advanced Bible students, and other deeply committed laypersons.

The Making of the Modern Jewish Bible May 28 2022 The Making of the Modern Jewish Bible explains how Jewish translators, commentators, and scholars made the Bible a keystone of Jewish life in Germany, Israel and America. In each site, a particular need—religion, nationalism, ethnicity—drove the enterprise of Bible study as scholars wrestled with the demands of the non-Jewish environment and their own indigenous traditions. Contrary to popular conceptions, the author argues that the modern period has been the golden age of Jewish Bible study.

Twelve Tribes of Israel May 16 2021 Enjoy having a simple overview on the 12 Tribes of Israel at your fingertips. See each tribe's symbol, meaning, history, and other fascinating facts at a glance. Includes incredible visual aids, such as a full-color map, family tree, Tabernacle diagram, and more. Almost every person in the Bible belonged to one of the 12 Tribes of Israel based on their ancestry From Moses who was a Levite to the Apostle Paul who was Benjaminite. Each tribe had its own history, land, and heritage. Now you can easily grasp the "backstory" of each tribe and see key information at a glance! For example, find out the significance of Jesus being called the "Lion of Judah." For each of the 12 Tribes of Israel, you will get-- A quick overview of its meaning, size, family history, location, and more A picture of the tribe's symbol (such as the lion from the Tribe of Judah) Simple summary of Jacob's blessing, Moses' blessing, and other key events related to each tribe. (Find out the major battles, controversies, and scandals that impacted each tribe. Plus, see which important Bible people came from each tribe of Israel.) Features Incredible Visual Aids (Map of Israel, Tabernacle Diagram, and more) This pamphlet is packed with visual aids that will help you see key information at a glance. These visuals will enrich your understanding of the 12 Tribes of Israel and add depth to any Old Testament study: Family Tree of Jacob (Israel) Tabernacle diagram showing where each of the 12 tribes encamped around the Tabernacle Time Line showing key events, starting with Abraham's journey from Haran Easy-to-read, full-color map showing how the "promised land" was divided amongst each of the 12 tribes according to their inheritance. The map is color-coded so you can easily spot each tribe's location!

2 Kings Jan 24 2022 During the time of the divided kingdom, both the nation of Israel in the north and Judah in the south witnessed great miracles and great failures as their kings vacillated between serving God and following pagan practices. As God led the people through prophets such as Elisha—miraculously curing one man of leprosy and raising another back to life—the clock on the nation's self-rule began to tick down. For to the east, the powerful kingdom of Assyria was threatening to conquer all the people in the land of Canaan. It was a time of decision: would God's people serve Him or divide their loyalties? In this study, John MacArthur guides readers through an in-depth look at this historical period, beginning with the godly reign of Jehoshaphat in Judah, continuing through the ministry of the prophet Elijah, and concluding with the fall of both kingdoms. Studies include close-up examinations of Elisha, Naaman, Hezekiah, Josiah, and others, as well as careful considerations of doctrinal themes such as "Obeying God in Every Situation" and "Renewing God's Word in Our Hearts." The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.

Hebrew-Greek Key Study Bible Sep 19 2021 "Now Bible students can unlock the extensive vocabulary and elaborate structure of the Greek language with this excellent study Bible. This revolutionary product uncovers the meaning of the original Greek and Hebrew text by indicating Strong's Concordance numbers and by providing codes for Dr. Zodhiates' Exegetical Notes and Lexical Aids sections." --provided by Goodreads.

Ancient Israel's Faith and History Sep 07 2020 Relying on archeological artifacts and anthropological study, George Mendenhall re-tells the story of Israel's history and faith. While careful not to move beyond the evidence, Mendenhall also provides an account of the theological dimensions of Israel's history.
