Hearts and Bones Sep 29 2019 'Vivid, memorable and beautifully crafted' - Sarah Moss, author of *Summerwater* 'A brilliant collection, from a remarkable talent' - Joseph O'Connor, author of *Shadowplay* Hearts and Bones is a book about relationships. It explores what love does to us, and how we survive it. A young woman learns to wield her power, leaving casualties in her wake, while a man from a small town finds solace in a strange new hobby. A watchful child feels a breaking point approach as her mother struggles to keep her life on track, and another daughter steps onto a stage while her family in the audience hope that she is strong enough now to take on the world. First-time lovers make mistakes, brothers and sisters try to forgive one another, and parents struggle and fail and struggle again. Teenage souls are swayed by euphoric faith in a higher power and then by devotion to desire, trapped between different notions of what might be true. Quiet revolutions happen in living rooms, on river banks, in packed pubs and empty churches, and years later we wonder why we ever did the things we did. Set between Ireland and London in the first two decades of this millennium, the stories in Hearts and Bones, Niamh Mulvey's debut collection, look at the changes that have torn through these times and ask who we are now that we've brought the old gods down. Witty, sharply observed and deeply moving, these ten stories announce an extraordinary new Irish literary talent. 'Highly accomplished, inventive . . . what stands out is Mulvey's command of her own originality' - Irish Times 'Honest, daringly fresh and stunningly written, these stories cut right to the very essence of what it means to be young' - Jan Carson, author of *The Raptures*

Atlas of the Heart Oct 11 2020 #1 NEW YORK TIMES BESTSELLER • In her latest book, Brené Brown writes, “If we want to find the way back to ourselves and one another, we need language and the

grounded confidence to both tell our stories and be stewards of the stories that we hear. This is the framework for meaningful connection." In *Atlas of the Heart*, Brown takes us on a journey through eighty-seven of the emotions and experiences that define what it means to be human. As she maps the necessary skills and an actionable framework for meaningful connection, she gives us the language and tools to access a universe of new choices and second chances—a universe where we can share and steward the stories of our bravest and most heartbreaking moments with one another in a way that builds connection. Over the past two decades, Brown's extensive research into the experiences that make us who we are has shaped the cultural conversation and helped define what it means to be courageous with our lives. *Atlas of the Heart* draws on this research, as well as on Brown's singular skills as a storyteller, to show us how accurately naming an experience doesn't give the experience more power—it gives us the power of understanding, meaning, and choice. Brown shares, "I want this book to be an atlas for all of us, because I believe that, with an adventurous heart and the right maps, we can travel anywhere and never fear losing ourselves."
