The Battle of Our Generation Nov 11 2020 PREFACE Of all the battles we are forced to fight on a daily basis, which is the greatest battle? Which is the most important battle? Which battle is the most difficult? Which battle deserves most of our attention? Which battle is the battle of our generation? All of the great religious leaders today agree that the answer to all these questions is pornography and masturbation. That is the battle of our generation! The reason that I have written this book is because I am aware of the fact that unfortunately the area of Shmirat Habrit (protecting oneself from wasting seed) has become the most difficult battle to fight for our generation. However, perhaps the saddest reality about this epidemic is that Shmirat Habrit remains unmentioned in religious communities even though it is very prevalent. Organizations and Rabbis expound on many different topics and problems, yet one can go through his entire life never being educated about the dangers of masturbation. Most people are embarrassed to speak about Shmirat Habrit, though ironically through education, one can find a cure to this epidemic. The purpose of this very book is to remove the taboo that surrounds this topic. This book is the product of several thousands of hours used to compile all the necessary materials to start a revolution. With God's help I hope that this will give people the necessary chizuk and tips to enable a person not to be a slave to his desires. Chazal say the area of Shmirat Habrit is the "Yesod," (foundation) of being a good Jew. The foundation of a building is underground remaining hidden and out of sight, yet, it holds up the entire building. If the foundation is weak then the building can collapse at any point. Similarly, Shmirat Habrit, is also hidden from all others, aside from you and Hashem, yet it is our foundation. If you're not Shomer Habrit then your foundation is weak causing your whole spiritual structure to be fragile. This book is relatively short; yet, one cannot just read it as he would read a storybook. One who reads this proactively and constantly tries to implement the different tips and strategies can be assured that having picked up this book was one of his best life investments. All the material presented here have sources and while some will be from our Sages; others will be from leading psychologists around the globe.

Kids Speak Jul 20 2021 Young people in Israel write about their experiences dealing with personal problems, handicaps, fears, and relationships with parents and others.

Wisdom Each Day Jul 08 2020 Rabbi Abraham J. Twerski, M. D. is an original - as ArtScroll readers have been learning to their delight, year after year, book after book. Now, he does it again. Every day of life is a new gift, with its own challenge and opportunity. When someone looks at life that way - with freshness and enthusiasm - so many of those nagging frustrations and annoyances simply fade into insignificance. Rabbi Twerski is not only an amazingly wise and upbeat person, he has the astounding ability to communicate his zest for life to his readers. No wonder he is one of the world's leading authorities on how to overcome addictions - and a man whose Torah wisdom has enriched countless lives in myriad ways. In this new book, he offers a new nugget for every day of the year. No one's day should be without this shot of inspiration.

[The Judaic Foundations of Cognitive-Behavioral Therapy](#) Mar 16 2021 What does rabbinical Judaism have to teach us about the way the mind works? How do the rabbis of the Talmud, Middle Ages, and our own time shed light on emotional disturbances, and on the cognitive-behavioral therapies used to treat them? In this panoramic view of rabbinical Judaism, psychiatrist Ronald Pies MD shows how cognitive-behavioral therapy (CBT) and rational emotive behavioral therapy (REBT) rely on psychological principles found in both ancient and modern Judaic writings. "The interplay between thought and deed is a central feature of Judaic affirmation. Control the thought and the deed will follow. Dr. Ronald Pies's book explores this connection in depth, and the inter-relationships that he weaves are at once illuminating and empowering." -Rabbi Dr. Reuven P. Bulka

We Want Life! May 30 2022 A delightfully illustrated, large-format book for children of all ages and their parents, that teaches the laws of shmiras ha-lashon, guarding one's speech, according to the rulings of the Chofetz Chaim, in a charming and thorough fashion. Clever drawings enhance the clear, readable text. Fully annotated with notes and sources.

[Chofetz Chaim, a Lesson a Day](#) Oct 03 2022 In this fascinating book, the Chofetz Chaim's teachings and insights about the laws and sanctity of speech are distilled in 178 daily readings. As an added feature, the book includes anecdotes from his personal life, and a comprehensive overview as well as practical strategies for guarding our speech. Few books are as valuable day in, day out. Try it and become a better, happier person.

Sefer Chofetz Chaim: The foreword and chapter 1 with full English translation and extensive overview of the basic concepts Aug 21 2021

American Jewish Year Book 2018 Jun 06 2020 The American Jewish Year Book, now in its 118th year, is the annual record of the North American Jewish communities and provides insight into their major trends. The first two chapters of Part I include a special forum on "Contemporary American Jewry: Grounds for Optimism or Pessimism?" with assessments from more than 20 experts in the field. The third chapter examines antisemitism in Contemporary America. Chapters on "The Domestic Arena" and "The International Arena" analyze the year's events as they affect American Jewish communal and political affairs. Three chapters analyze the demography and geography of the US, Canada, and world Jewish populations. Part II provides lists of Jewish institutions, including federations, community centers, social service agencies, national organizations, synagogues, Hillels, day schools, camps, museums, and Israeli consulates. The final chapters present national and local Jewish periodicals and broadcast media; academic resources, including Jewish Studies programs, books, journals, articles, websites, and research libraries; and lists of major events in the past year, Jewish honorees, and obituaries. Today, as it has for over a century, the American Jewish Year Book remains the single most useful source of information and analysis on Jewish demography, social and political trends, culture, and religion. For anyone interested in Jewish life, it is simply indispensable. David Harris, CEO, American Jewish Committee (AJC), Edward and Sandra Meyer Office of the CEO The American Jewish Year Book stands as an unparalleled resource for scholars, policy makers, Jewish community professionals and thought leaders. This authoritative and comprehensive compendium of facts and figures, trends and key issues, observations and essays, is the essential guide to contemporary American Jewish life in all its dynamic multi-dimensionality. Christine Hayes, President, Association for Jewish Studies (AJS) and Robert F. and Patricia R. Weis Professor of Religious Studies in Classical Judaica at Yale University

The Gates of Repentance Dec 13 2020 The Gates of Repentance (Sha'arei Teshuvah), by Rabbeinu Yonah of Gerona (d. 1263), is one of the most important books of Jewish literature. Now available in a modern English translation, this volume probes the profound idea of teshuvah, often translated as "repentance" but in reality far more complex and subtle than the simple meaning of "regret for sin" or "contrition." Rabbi Feldman furnishes the reader with an eminently readable translation and provides notes directly on-site when difficulties arise in the text. He gives a general introduction as well as short introductions to each gate, followed by a synopsis of each gate for review and overview. Unique to this work are the scholarly notes Rabbi Feldman provides, which enable the reader to follow themes throughout the work, get a better understanding of other sages' insights, and develop to a higher level the ideas discussed in The Gates of Repentance.

[The Taryag Companion](#) Oct 30 2019 The Taryag Companion is Rabbi Jack Abramowitz' most ambitious project to date. Not only does it include thorough and incisive explanations of all 613 mitzvos (according to the list of Maimonides) in a surprisingly readable fashion, the supplemental materials will enlighten readers on a broad array of related topics, from the 13 foundations of the Jewish faith to the 19 blessings of Shemoneh Esrei and from the 24 Books of the Jewish Bible to the 63 tractates of the Oral Law. Never before has so comprehensive an overview been so concise.

[Chofetz Chaim, a Daily Companion](#) Jan 26 2022 Study Sefer Chofetz Chaim in 128 daily segments, according to the schedule established by the venerable Manchester Rosh Yeshivah, Rabbi Yehudah Zev Segal, ztl. The Chofetz Chaim's influence continues to grow, as thousands upon thousands adopt his message that the tongue can be a priceless tool or a lethal weapon. And this volume will lead you through his classic work according to the order he set down. It is another vital gift to those who wish to guard their tongues, but want to know how. Whether as a study companion or standing on its own, this work is a superbly wrought guide of the laws of proper speech as the Chofetz Chaim himself set them down. SPECIAL SUPPLEMENT: What you must say, what you shouldn't say A Halachic guide to getting and giving information for shidduchim. By Rabbi M. M. Lowy

Nov 23 2021

Understanding Religious Pluralism Feb 24 2022 Our contemporary world is fast becoming religiously diverse in a variety of ways. Thanks to globalization and migration, to mention only two current worldwide trends, people of diverse and sometimes mutually hostile faiths are now sharing neighborhoods and encountering one another's religious traditions on a daily basis. For scholars in religious studies and theology the issue to be examined is whether religious diversity is merely the result of historical development and social interaction, or whether it is inherent in the object of belief--part of the very structure of faith and our attempts to understand and express it. The essays in this volume range from explorations of the impact of religious diversity on religious studies to examples of interfaith encounter and dialogue, and current debates on Christian theology of religion. These essays examine not only the theoretical issues posed by religious pluralism to the study of religion and Christian theology but also concrete cases in which religious pluralism has been a bone of contention. Together, they open up new vistas for further conversation on the nature and development of religious pluralism.

Chofetz Chaim, a Lesson a Day Nov 04 2022 SRS The concepts and laws of proper speech arranged for daily study. Based on his works, Sefer Chofetz Chaim and sefer Shmiras Haloshon includes Vignettes from the life of the Chofetz Chaim.

Sefer Oz e-hadar Levusha Aug 09 2020 Tznius -- modesty -- is an integral facet of Jewish life. In a world where modesty is recognized more by its absence than by its presence, there has never been a greater need for a definitive work on this vital quality. But what precisely are the laws of modesty, what are its parameters, where are its applications? In this long-awaited work, the laws and ideology of modesty are tackled in an exhaustive and comprehensive manner. All the laws of Tznius, whether in dress or behavior, speech and social interaction, are collated and explained in the clear and lucid manner that is characteristic of the author. -- Back cover.
