Cochrane Handbook for Systematic Reviews of Interventions Nov 14 2021 Healthcare providers, consumers, researchers and policy makers are inundated with unmanageable amounts of information, including evidence from healthcare research. It has become impossible for all to have the time and resources to find, appraise and interpret this evidence and incorporate it into healthcare decisions. Cochrane Reviews respond to this challenge by identifying, appraising and synthesizing research-based evidence and presenting it in a standardized format, published in The Cochrane Library (www.thecochranelibrary.com). The Cochrane Handbook for Systematic Reviews of Interventions contains methodological guidance for the preparation and maintenance of Cochrane intervention reviews. Written in a clear and accessible format, it is the essential manual for all those preparing, maintaining and reading Cochrane reviews. Many of the principles and methods described here are appropriate for systematic reviews applied to other types of research and to systematic reviews of interventions undertaken by others. King Benjamin's Speech Mar 06 2021 For readers of the Book of Mormon, King Benjamin's speech is a treasure trove of inspiration, wisdom, eloquence, and spiritual insight. King Benjamin's Speech: "That Ye May Learn Wisdom" is the most substantial collection of studies ever to focus exclusively on this landmark address. The contributors examine this speech in the multifaceted contexts in which it was delivered: as a classic speech of a departing leader near the time of his death, as the focus of an annual festival season mandated anciently under the law of Moses, as part of a covenant renewal ceremony delivered within the sacred precinct of the Nephite temple in Zarahemla, and as preparation for the coronation of a new king. Historical and linguistic tools and information are employed in these essays to help the reader to better grasp the speech's historical setting, its

doctrinal implications, its literary qualities, its influence then and now, and its overall brilliance.
