Changing the Game Nov 02 2022 Use Video Games to Drive Innovation, Customer Engagement, Productivity, and Profit! Companies of all shapes and sizes have begun to use games to revolutionize the way they interact with customers and employees, becoming more competitive and more profitable as a result. Microsoft has used games to painlessly and cost-effectively quadruple voluntary employee participation in important tasks. Medical schools have used game-like simulators to train surgeons, reducing their error rate in practice by a factor of six. A recruiting game developed by the U.S. Army, for just 0.25% of the Army's total advertising budget, has had more impact on new recruits than all other forms of Army advertising combined. And Google is using video games to turn its visitors into a giant, voluntary labor force--encouraging them to manually label the millions of images found on the Web that Google's computers cannot identify on their own. Changing the Game reveals how leading-edge organizations are using video games to reach new customers more cost-effectively; to build brands; to recruit, develop, and retain great employees; to drive more effective experimentation and innovation; to supercharge productivity...in short, to make it fun to do business. This book is packed with case studies, best practices, and pitfalls to avoid. It is essential reading for any forward-thinking executive, marketer, strategist, and entrepreneur, as well as anyone interested in video games in

*Nail's Crossing* May 28 2022 This debut mystery from a fresh voice in Southwestern fiction stakes out the common ground between Tony Hillerman, Elmore Leonard, and Cormac McCarthy. In a remote corner of the Chickasaw Nation, tribal Lighthorse policeman Bill Maytubby and county deputy Hannah Bond discover the buzzard-ravaged body of Majesty Tate, a young drifter with a blank past. They comb Oklahoma's rock prairie, river bottoms, and hard-bitten small towns for traces of her last days. Tate was seen dancing with Austin Love, a violent local meth dealer fresh out of prison. An Oklahoma City motel clerk connects her with an aspiring politician. An oil-patch roustabout and a shady itinerant preacher provide dubious leads. Ne'er-do-wells start dying off. A fluke lead propels Maytubby deep into Louisiana's bayou country, where a Cajun shrimper puts him on the scent of a bizarre conspiracy. He and Bond reunite in the Chickasaw Nation for the eventual face-off at *Nail's Crossing*. "As fine a mystery series debut as I've read in a long time." -Craig

Each victim had recently been on trial for domestic violence-related charges, but was set free through plea bargains, technicalities, or acquittal. Two Portland Police Bureau Detectives--Sergeant Ray Barkley and his partner Detective Nina Parker--investigate the killings. Among the list of suspects is Criminal Court Judge Carole Cranston, who presided over the trials of all the victims and has dark secrets she is in no hurry to share. As the body count grows and the suspects narrow, Barkley finds himself being targeted and may be powerless to prevent from becoming the victim of a relentless killer. Fractured Trust: A Renee Steele Legal Mystery It is 1982, and assistant prosecuting attorney Renee Steele works for the Sex Crimes Unit of the Akers County Prosecuting Attorney's Office in Sparrow's Crossing, Michigan. She is pitted in court against a formidable opponent, defense attorney Deana Krane, who has never lost a case and is determined to win an acquittal for her client Kurt Bochner. In Fractured Trust, date rape and prostitution are put under the microscope. The results are anything but certain, and there is a stunning climax.

*The Dolphin Girl and the Darker Side of Things (HB)* Sep 27 2019

*The Dolphin Girl and the Darker Side of Things (HB)* By: Edward G. Kidder Jessica Kingsbury, a stunningly beautiful young woman, is trying to distance herself from the terribly tragic events life dealt her at a much younger age; events resulting in a criminal conviction, incarceration, mental institutionalization, violent physical abuse, and long-term state-mandated supervisions.

Jessica interacts with a host of elements and people in a small rural town, all of whom are pulling at her in a different direction, each for different reasons. A mature dedicated clinical psychologist, with matrimonial problems of her own, Dr. Jackie Fenton, Jessica's lead clinical doctor, is trying to balance professional ethnics with very unorthodox curative procedures. She struggles with bizarre human elements in this true-to-life, hard-hitting, fast-moving saga of human drama. She must use outlandish elements and the dynamic energy of a tough, erotically inclined city police sergeant, his controlling assistant district attorney girlfriend, Jessica's obstinate and determined father, and takes career-ending chances for the ultimate betterment of her client, Jessica, all the while dealing with her own latent sexual attraction to a random step-in hero who takes it on himself to help Jessica in any way he can; placing himself in the middle of the extravaganza. This story starts with the seemingly random collision of people and elements meshed together like gears in a recklessly fast-spinning machine; quickly loses control and rushes toward to an ever-uncertain conclusion affecting everyone that is touched by or gets involved with the darker side of "The Dolphin

Girl.”

un gran sueño, un propósito, una visión o la idea de un ministerio. Sin embargo, en medio de soñar en grande, la gente a menudo se aferra a la decepción porque están tratando de cumplir un sueño dado por Dios a través de los principios seculares. Entonces, ¿cuál es el secreto para el cumplimiento del propósito dado por Dios? Hay promesas en la Palabra de Dios que cuando se desarrollara una vida secreta con Él, Él dará a conocer públicamente más allá de lo que podría haber pensado o imaginado por usted mismo. En Cuando los marginados sí convierten en reyes, Mark Casto comparte experiencias personales, revelaciones y visiones dadas por Dios que lo convirtieron en la edad de veinte años en la voz de su generación. Este libro.. - Desarrollará la confianza del lector mostrándole que todo lo grande que Dios hizo con un individuo comenzó en la oscuridad - Conectará a las generaciones, mostrándole que todos los líderes claves que Dios escogió en Israel fueron sometidos a un líder piadoso de la generación anterior - Dará a los lectores un ejemplo perfecto al demostrar cómo los principios que fueron dados por Jesús en privado trajo al reino resultados públicos
