Kings Mountain Feb 24 2022 Rising 2,000 feet above the rural San Mateo County countryside, Kings Mountain rests atop the redwood-ribbed backbone of the California Coastal Mountain Range. Despite inhospitable terrain, its forests lured Spanish padres who envisioned a chain of missions along the California coast. The community grew as its stately Sequoia sempervirens toppled before the influx of sawmills that sprang up in the 1850s. Named for early entrepreneurs Frank and Honora King, the mountain's story features rough-and-tumble sawyers, genteel dairy farmers, ghost towns, subdivisions, summer cabins, schools, and storied hermits. The celebrated annual art fair began in 1963 to raise funds for fire protection and grew into a nationally respected event that draws thousands.

**The Day He Came Back** Dec 01 2019 From New York Times bestselling author Penelope Ward, comes a new standalone novel. It was the summer of my life. I'd met the guy of my dreams. Unfortunately, he was the son of my uppity employer—and very much off-limits. But Gavin was a rebel. He knew his mother would disown him if she found out about us; in his eyes, we just had to be careful. He never treated me as his mother did—like hired help. Instead, Gavin put me on a pedestal and loved me harder than I'd ever been loved in my life. What a summer it was. Until it all ended—badly. I was never supposed to see Gavin again. That didn't stop me from thinking about him every day for ten years. I knew little about his life now, just that he was an entrepreneur living an ocean away. When a twist of fate had me working again in the very place our love affair started a decade earlier, I knew it was only a matter of time before I might see him again. But I wasn't prepared. What if he hated me? What if he loved someone else now? I wasn't prepared for all the unknowns. And most of all, I wasn't prepared for today to be the day he came back.

He's also never met anyone who needed him more. Skinny, messed up, and a bucket of trouble as thick as tar, everything Elliot does seems to be a wordless death wish. No matter how much Knight hates Elliot's alter ego, under the makeup and theatrics hides a fragile young guy with a passion for history, and Knight can't help but catch Elliot every time he falls. Elliot has bad taste in men. Always hopelessly attracted to violent brutes, his favorite is a long dead serial killer. The ghost is manipulative and dangerous, offering Elliot all he's always wanted, for a price he can't possibly pay. Elliot is faced with an impossible choice between two men. One alive, one dead. **The Silver Swan** Sep 02 2022 Riddle me this... "I am neither dead, nor alive, and I'm not something little Madison can hide. But you will be dead, by the time this is done... the timer starts now, and the games have just begun..." Madison Montgomery comes from money and power, but when someone close to her commits the ultimate crime, Madison must live with her tainted name for the rest of her life. When she begins Riverside Preparatory Academy, the private school her father has swept her into in The Hamptons, she hopes for a fresh start. What she wasn't hoping for was the pack of bad boys who run the school; ten, to be exact. When Madison gains the attention of their leader, Bishop Vincent Hayes, a whole new world that she didn't think existed is exposed to her. A whole

world that starts and ends with The Elite Kings Club and these boys, are about to flip her world upside down. Secrets are overflowing and family lies are about to be exposed. Is there more to Madison Montgomery than even she knows? About this book: I need to admit something right now. The Silver Swan is f\*cked. It might be the most insane story I've ever written with equally insane characters. Who knew? You know, when I started this book, it was supposed to be YA. I wanted to write a book that my sisters could read. A book that won't have people look at my mum like "damn... what sort of messed up shit happened to your kid?." The angst, the assholeness, the games, the f\*\*kery, the WHAT THE F\*\*KING F\*\*K ARE YOU DOING !!!... I cannot even.... anyway, this is a warning (and the only one I'll give you). It's crazy. I don't compare my work to my others, but this book is f\*\*ked. It will most likely stomp all the f\*\*k over people's hard limits (and not give a sh\*t while it's doing it) and will make you second guess all the morals you thought you had. This most definitely is not looking like a love story right now... more like a..... I don't even.... anyway, I apologise now. You asked for it..
