Magic City Mar 04 2020 "A thug is someone who stands on his own. He lives by the decisions he makes and accepts the consequences. A thug is comfortable in his own skin. I wear mine like a glove." Trick Daddy was born a thug—just a stone's throw from downtown Miami, yet a world away from its dazzling beauty and sparkling wealth. Where grinding poverty, deadly crime, and devastating racial tension taught kids to live by the 'hood rules. Remarkably, Trick came from nothing and made it big just when his chances had run out. Magic City is the extraordinary tale of a boy whose father was a pimp, who learned to hustle to survive, and whose only role model was his brother, the drug dealer he watched plying his trade on the block. It's the untold truth behind the cult movie Scarface, of the drug money that transformed the city into a shining mecca for the rich and famous while turf wars between smalltime pushers claimed countless lives. It's also the incredible story of how that potent mixture of extremes—the electric pulse and glittering abundance of South Beach and the crime, corruption, and despair in its shadows—gave rise to the most dominant sound in hip-hop today. Magic City is an ode to Miami, a riveting tale of a paradise lost and a native son determined to infuse it with new life.

The Wiz Mar 28 2022 The Wiz : adapted from "The wonderful Wizard of Oz" by L. Frank Baum. *The Mycenaean Settlement on Tsoungiza Hill* Apr 16 2021 A hill dominating the Nemea Valley, Tsoungiza is located only 10 kilometers northwest of the citadel of Mycenae. Excavations there have uncovered the remains of a Late Helladic settlement that stood at its southern end. This volume presents the results of these investigations with an unprecedented study of a small settlement's economy and society in the Mycenaean period. Through an interdisciplinary approach that incorporates a wide variety of general and specialist studies, the authors demonstrate how agricultural production, craft activities, and ceremonial practices integrated the inhabitants of Tsoungiza into a regional exchange system within the Bronze Age world. The volume includes contributions by P. Acheson, S. E. Allen, K. M. Forste, P. Halstead, S. M. A. Hoffmann, A. Karabatsoli, K. Kaza-Papageorgiou, B. Lis, R. Mersereau, H. Mommsen, J. B. Rutter, T. Theodoropoulou, and J. E. Tomlinson.

Gone 'Til November Nov 04 2022

"Transfixing...[Wayne's] prison diary is, above all, a testament to the irrepressibility of his charisma—his is a force that can never go dormant, even when it's not plainly on display." —The New Yorker From rap superstar Lil Wayne comes *Gone 'Til November*, a deeply personal and revealing account of his time spent incarcerated on Rikers Island for eight months in 2010. In 2010, recording artist Lil Wayne was at the height of his career. A fixture in the rap game for more than a decade, Lil Wayne (aka Weezy) had established himself as both a prolific

musician and a savvy businessman, smashing long-held industry records, winning multiple Grammy Awards, and signing up-and-coming talent like Drake and Nicki Minaj to his Young Money label. All of this momentum came to a halt when he was convicted of possession of a firearm and sentenced to a yearlong stay at Rikers Island. Suddenly, the artist at the top of his game was now an inmate at the mercy of the American penal system. At long last, *Gone 'Til November* reveals the true story of what really happened while Wayne was behind bars, exploring everything from his daily rituals to his interactions with other inmates to how he was able to keep himself motivated and grateful. Taken directly from Wayne's own journal, this intimate, personal account of his incarceration is an utterly humane look at the man behind the artist.

It is Herself Apr 04 2020 Maureen O'Hara was born for Technicolour. Her fiery red hair and piercing green eyes made the screen crackle with electricity. Her bold Irish bearing cast her as the prototypical strong, determined woman struggling in a man's world. During a career that has spanned some sixty years, she has earned a reputation as a fiercely independent thinker, a tireless champion of causes, and, of course, a premier actress. *'TIS HERSELF* chronicles a standout career that includes such timeless British and Hollywood films as *THE HUNCHBACK OF NOTRE DAME*, *HOW GREEN WAS MY VALLEY*, *RIO GRANDE*, *OUR MAN IN HAVANA*, *MCLINTOCK!* and *THE PARENT TRAP*. O'Hara also shines a light on her private life, including her romance with aviation pioneer Brigadier General Charles F. Blair, 'the great love of her life', who died in a mysterious plane crash ten year after their marriage. Going behind the scenes and delivering intimate memories about her co-stars and directors, including John Wayne, Alfred Hitchcock, John Ford, Tyrone Power, John Candy, James Stewart, Charles Laughton, Lucille Ball and Rex Harrison. O'Hara's first-person reminiscences afford readers an unprecedented view of Hollywood's 'Golden Age'.

Notorious C.O.P. May 30 2022 Throughout his career, Derrick Parker worked on some of the biggest criminal cases in rap history, from the shooting at Club New York, where Derrick personally escorted Jennifer Lopez to police headquarters, to the first shooting of Tupac Shakur. Always straddling the fence between "po-po" and NYPD outsider, Derrick threatened police tradition to try to get the cases solved. He was the first detective to interview an informant offering a detailed account of Biggie Smalls's murder. He protected one of the only surviving eyewitnesses to the Jam Master Jay murder and knows the identity of the killers as well as the motivation behind the shooting. *Notorious C.O.P.* reveals hip-hop crimes that never made the paper—like the robbing of Foxy Brown and the first Hot 97 shooting—and answers some lingering questions about murders that have remained unsolved. The book that both the NYPD and the hip-hop community don't want you to read, *Notorious C.O.P.* is the first insider look at the real links between crime and hip-hop and the inefficiencies that have left some of the most widely publicized murders in entertainment history unsolved.

Ilokano Lessons Oct 03 2022 The Philippines series of the PALI Language Texts, under the general editorship of Howard P. McKaughan, consists of lesson textbooks, grammars, and dictionaries for seven major Filipino languages. Ilokano is an Austronesian language. It ranks third among the major languages of the Philippines, being spoken by just over 12 percent of the population. Widely spoken throughout the Philippines, Ilokano is the dominant language of most of the provinces of Northern Luzon and is used as a lingua franca by non-Ilokano speakers in this area. Settlers have also carried the language to Mindoro and to several areas in Mindanao. *Ilokano Lessons* was developed under the auspices of the Pacific and Asian Linguistics Institute (PALI) of the University of Hawaii, and accompanies the Ilokano dictionary and the Ilokano reference grammar. The lessons in this text are

supplemented by a series of appendixes consisting of vignettes of Ilokano life, songs, a glossary, and vocabulary lists.

Early Childhood Theories Today Nov 23 2021 If you work in the early years, you have probably heard of Montessori and Bronfenbrenner - but have you heard of Bavolek or Fisher?

Contemporary theorists and theories of early childhood learning have much to teach us. It is often forgotten that this learning is still evolving and that new voices are joining the discussion every year. This book introduces early years practitioners to some contemporary theorists and explores their work alongside more well-known thinkers. It demonstrates how these theories relate to everyday practice in the early years and that discussion of them can support ongoing professional learning.

Games and Sanctuaries in Ancient Greece

Jan 02 2020 As religious rituals, rites of passage, and celebrations of the body, athletics were deeply woven into the fabric of ancient Greek life. Modeled after physical exercises and competitions that existed in earlier Near Eastern cultures, hundreds of athletic contests were held throughout the ancient Greek world. In the eighth century B.C., the games held at Olympia began to surpass all others in their fame and glory and gave rise to a sporting tradition that engages and enthralls the world to this day. Published to coincide with the return of the Olympics to Greece in 2004, this thoroughly researched book studies sport in ancient Greece over a span of a millennium and a half—from the earliest mentions of athletics in Homer's *Iliad* and other literary sources, through the Classical age, and into the Hellenistic, Roman, and late antique periods. With more than five hundred illustrations, the book tours the monumental stadiums, bathhouses, temples, and other structures built to host the athletic events and to house the wealth of art created to pay tribute to the athletes, gods, and heroes of the games.

Crossing Bar Lines Mar 16 2021 In *Crossing Bar Lines: The Politics and Practices of Black Musical Space* James Gordon Williams reframes the nature and purpose of jazz improvisation to illuminate the cultural work being done by five creative musicians between 2005 and 2019. The political thought of five African American improvisers—trumpeters Terence Blanchard and Ambrose Akinmusire, drummers Billy Higgins and Terri Lyne Carrington, and pianist Andrew Hill—is documented through insightful, multilayered case studies that make explicit how these musicians articulate their positionality in broader society. Informed by Black feminist thought, these case studies unite around the theory of Black musical space that comes from the lived experiences of African Americans as they improvise through daily life. The central argument builds upon the idea of space-making and the geographic imagination in Black Geographies theory. Williams considers how these musicians interface with contemporary social movements like Black Lives Matter, build alternative institutional models that challenge gender imbalance in improvisation culture, and practice improvisation as joyful affirmation of Black value and mobility. Both Terence Blanchard and Ambrose Akinmusire innovate musical strategies to address systemic violence. Billy Higgins's performance is discussed through the framework of breath to understand his politics of inclusive space. Terri Lyne Carrington confronts patriarchy in jazz culture through her Social Science music project. The work of Andrew Hill is examined through the context of his street theory, revealing his political stance on performance and pedagogy. All readers will be elevated by this innovative and timely book that speaks to issues that continue to shape the lives of African Americans today.

Indigenous Medicine and Knowledge in African Society Feb 24 2022 At the turn of the 20th century, African societies witnessed the suppression of indigenous healing specialists as

missionary proselytization and colonial rule increased. Governments, medical practitioners and academics focused little attention or resources on the production of "traditional" medicine, despite its potential use for advancing health care delivery to millions of people in rural communities and providing the basis for a medicinal industry. Focusing on the case of Ghana, *Indigenous Medicine and Knowledge in African Society* investigates the ways in which healers and indigenous archives of cultural knowledge conceptualize and interpret medicine and healing. In order to unearth these prevailing concepts, Konadu utilizes in-depth interviews, plant samples, material culture, linguistics, and other sources. This groundbreaking study of indigenous knowledge has important implications for the study of medical and knowledge systems in Africa and the African Diaspora worldwide. By closely examining a range of multidisciplinary sources and utilizing fieldwork in the Takyiman district of central Ghana, the book contributes a new dimension to the study of health and healing systems in the African context and offers scholars, students, and general readers a vital reference.

Corporate Social Responsibility Feb 12 2021 The current theory of corporate social responsibility (CSR) is developing along three interwoven lines - oral, social, and environmental. Although everybody recognizes that although CSR is of growing concern in a globalized economy, it being at the top of the board of director's agenda and also good for business, there is no sign of consensus on its rules, structures, or procedures. Now, this collection of essays by leading jurists, businesspeople, and academics takes a giant step toward a more cohesive and durable set of principles that can contribute to a cleaner environment and a better society while respecting and protecting the interests of all stakeholders.
