**The Stolen Girl  
(The Veil and the  
Crown, Book 1)**

Feb 21 2022 The Incredible True Story of Two Girls in the Seventeen-Hundreds Who Become the Powers Behind the Thrones of the World's Greatest Empires The fulfillment of an outrageous prediction seals the fates of two cousins in this true story that begins on a Caribbean sugar plantation and careens wildly towards the thrones of two empires. Innocent Aimée refuses to believe

she might ever have to face the intrigue and evil that lurks beneath the exotic beauty and opulence of the Ottoman Empire. Rose mistakenly believes that her marriage to an aristocratic French lieutenant will insure her place in Parisian society. Both will be proven wrong. This first book in Zia Wesley's The Veil and the Crown series tells the beginning of the extraordinary true story of Aimée Dubucq de Rivery and her cousin, Rose Tascher de La

Pagerie...both destined to be queens. Publisher's Note: This is an extraordinarily well-researched novel that is true to the period. As such, there is explicit sexual and violent content that, while typical to the era, is most appropriate for adult readers. The Veil and the Crown, in series order: The Stolen Girl The French Sultana "I lingered over and savored the vivid descriptions and found it absorbing, historically interesting, well researched and

**French Children Don't Throw Food**

Apr 01 2020 The book everyone is talking about: how the French manage to raise well-behaved children, and have a life!

Who hasn't noticed how well-behaved French children are, compared to our own? How come French babies sleep through the night? Why do French children happily eat what is put in front of them? How can French mothers chat to their friends while their children play quietly? Why are French mothers more likely to be seen in skinny jeans than tracksuit bottoms?

*Death of Camus* Oct 08 2020 In 1960 a mysterious car crash killed Albert Camus and his publisher Michel Gallimard, who was behind the wheel. Based on meticulous research, Giovanni Catelli builds a compelling case

that the 46-year-old French Algerian Nobel laureate was the victim of premeditated murder: he was silenced by the KGB. The Russians had a motive: Camus had campaigned tirelessly against the Soviet crushing of the 1956 Hungarian Revolution, and vociferously supported the awarding of the Nobel Prize to the dissident novelist Boris Pasternak, which enraged Moscow. Sixty years after Camus' death, Catelli takes us back to a murky period in the Cold War. He probes the relationship between Camus and Pasternak, the fraught publication of Doctor Zhivago

### **Flirting with**

**French** May 27

2022 "A delightful and courageous tale and a romping good read. Voila!"

—Mark Greenside, author of *I'll Never Be French* (No Matter What I Do) William Alexander is more than a Francophile. He wants to be French. There's one small obstacle though: he doesn't speak la langue française. In

Flirting with French, Alexander sets out to conquer the language he loves. But will it love him back? Alexander eats, breathes, and sleeps French (even conjugating in his dreams). He travels to France, where mistranslations send him bicycling off in all sorts of wrong directions, and he nearly drowns in an immersion class in Provence, where, faced with the riddle of masculine breasts, feminine beards, and a turkey cutlet of uncertain gender, he starts to wonder whether he should've taken up golf instead of French. While playing hooky from grammar lessons and memory

techniques, Alexander reports on the riotous workings of the Académie française, the four-hundred-year-old institution charged with keeping the language pure; explores the science of human communication, learning why it's harder for fifty-year-olds to learn a second language than it is for five-year-olds; and, frustrated with his progress, explores an IBM research lab, where he trades barbs with a futuristic hand-held translator. Does he succeed in becoming fluent? Readers will be as surprised as Alexander is to discover that, in a fascinating twist, studying French,

may have had a far greater impact on his life than actually learning to speak it ever would. "A blend of passion and neuroscience, this literary love affair offers surprise insights into the human brain and the benefits of learning a second language. Reading William Alexander's book is akin to having an MRI of the soul." —Laura Shaine Cunningham, author of *Sleeping Arrangements* "Alexander proves that learning a new language is an adventure of its own--with all the unexpected obstacles, surprising breakthroughs and moments of sublime pleasure traveling brings." —Julie

Barlow, author of *Sixty Million Frenchmen Can't Be Wrong: Human Rights and Humanity's Rights During Year Three of the French Revolution* Jul 17 2021 This book explores the constitutional debates of the Year 3 of the French Revolution (also known as Year 1 of the French Republic) and the drafts for the Declaration and the Constitution of 1793. It presents the revolutionaries' distinct view on human rights and the rights of the peoples, as well as their philosophical underpinnings. After discussing how contemporary legal history and theory, and political philosophy

approached the revolutionary period, the book tackles the main topics covered during the debates and proposals. Starting with the issue of external relations and the sovereignty of the people and ending with natural rights and Republicanism, this book shows how apparently technical questions (such as what procedure should be implemented to declare a war) are intertwined with philosophical reflections on rights and with problems that were urgent at the time.

### **Mastering the Art of French Eating**

May 03 2020 The

memoir of a young diplomat's wife who must reinvent her dream of living in Paris—one dish at a time

When journalist Ann Mah's diplomat husband is given a three-year assignment in Paris, Ann is overjoyed. A lifelong foodie and Francophile, she immediately begins plotting

gastronomic adventures à deux. Then her husband is called away to Iraq on a year-long post—alone.

Suddenly, Ann's vision of a romantic sojourn in the City of Light is turned upside down. So, not unlike another diplomatic wife, Julia Child, Ann must find a life for herself in a new city. Journeying through Paris and

the surrounding regions of France, Ann combats her loneliness by seeking out the perfect pain au chocolat and learning the way the andouillette sausage is really made. She explores the history and taste of everything from boeuf Bourguignon to soupe au pistou to the crispiest of buckwheat crepes. And somewhere between Paris and the south of France, she uncovers a few of life's truths. Like Sarah Turnbull's *Almost French* and Julie Powell's *New York Times* bestseller *Julie and Julia, Mastering the Art of French Eating* is interwoven with the lively characters Ann meets and the

traditional recipes she samples. Both funny and intelligent, this is a story about love—of food, family, and France.

Mazes for 5 Year Olds (My Book of Mazes) Dec 10 2020  
Mazes are often thought of as games for children or simply a meager way to pass the time, however, there are many different uses for mazes that most people do not realize. There are various books that have been released that contain mazes that are thought to increase brain capacity and problem solving skills. Some may wonder, how something that was previously labeled as a children's device turn into a

learning tool and a skill increasing tool for both adults and children. How would mazes for 5 year olds book benefit anyone?

Well, the answer is quite simple. Mazes focus on memory, brain stamina, and conceptual thinking.

### **What Ever It**

**Takes** Jun 03 2020

For the small town of Watkins Forge, the worst thing to happen is a heavy snowfall. That is, until widower Cory Keller visits for an annual hunting trip. When he witnesses a murder in the nearby forest, no one believes him. With no corpse, and as the only witness, he is faced with

convincing the towns sceptical sheriff before the killer tracks him down to silence him. As he develops a friendship with an attractive waitress, Keller discovers that he is up against much more than a killer and he must not only save himself but the whole town. Mick Williams is the author of Amazon Top Ten title *A Reason To Grieve*, and the page turning adventure *A Guy Walks Into A Bar*.

**The Years** Sep 18 2021 WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE Shortlisted for the 2019 Man Booker International Prize Considered by many to be the iconic French

memoirist's defining work and a breakout bestseller when published in France in 2008 *The Years* is a personal narrative of the period 1941 to 2006 told through the lens of memory, impressions past and present—even projections into the future—photos, books, songs, radio, television and decades of advertising, headlines, contrasted with intimate conflicts and writing notes from 6 decades of diaries. Local dialect, words of the times, slogans, brands and names for the ever-proliferating objects, are given voice here. The voice we recognize as the author's continually

dissolves and re-emerges. Ernaux makes the passage of time palpable. Time itself, inexorable, narrates its own course, consigning all other narrators to anonymity. A new kind of autobiography emerges, at once subjective and impersonal, private and collective. On its 2008 publication in France, *The Years* came as a surprise. Though Ernaux had for years been hailed as a beloved, bestselling and award-winning author, *The Years* was in many ways a departure: both an intimate memoir "written" by entire generations, and a story of generations telling a very personal story. Like

the generation before hers, the narrator eschews the "I" for the "we" (or "they", or "one") as if collective life were inextricably intertwined with a private life that in her parents' generation ceased to exist. She writes of her parents' generation (and could be writing of her own book): "From a common fund of hunger and fear, everything was told in the "we" and impersonal pronouns." Co-winner of the 2018 French-American Foundation Translation Prize in Nonfiction Winner of the 2017 Marguerite Yourcenar Prize for her entire body of work Winner of the 2016 Strega European Prize

apocalyptic events in human history is set to occur—the coming of the Black Death. History teaches us that a third of Europe’s population was destroyed. But what if the plague had killed 99 percent of the population instead? How would the world have changed? This is a look at the history that could have been—one that stretches across centuries, sees dynasties and nations rise and crumble, and spans horrible famine and magnificent innovation. Through the eyes of soldiers and kings, explorers and philosophers, slaves and scholars, Robinson navigates a world where Buddhism and

Islam are the most influential and practiced religions, while Christianity is merely a historical footnote. Probing the most profound questions as only he can, Robinson shines his extraordinary light on the place of religion, culture, power—and even love—in this bold New World.

“Exceptional and engrossing.”—New York Post  
“Ambitious . . . ingenious.”—Newsday

**Ninety-Three** Mar 13 2021 Published in 1874, “Ninety-Three” was French writer Victor Hugo's last novel published immediately subsequent to the bloody Paris Commune. It deals with the counter-

revolutionary revolts in 1793 during the French Revolution, namely those in the Vendée and Chouannerie. “Ninety-Three” is split into three parts, with each part telling a different story and offering a different view of historical events. Highly recommended for those with an interest in French history and the seminal works of Victor Hugo. Victor Marie Hugo (1802 - 1885) was a French novelist, dramatist, and poet belonging to the Romantic movement. He is widely hailed as one of the most accomplished and well-known French writers, originally achieving renown for his poetical endeavours—the

most notable of which are the volumes “Les Contemplations” and “La Légende des siècles”. Outside of his native country, Hugo's best-known works are his novels: “Les Misérables” (1862) and “Notre-Dame de Paris” (1831). Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this book now in an affordable, high-quality, modern edition complete with a specially commissioned new biography of the author.

### **The Lost Kitchen**

Feb 09 2021 An evocative, gorgeous four-season look at cooking in Maine, with 100 recipes No

one can bring small-town America to life better than a native. Erin French grew up in Freedom, Maine (population 719), helping her father at the griddle in his diner. An entirely self-taught cook who used cookbooks to form her culinary education, she now helms her restaurant, The Lost Kitchen, in a historic mill in the same town, creating meals that draw locals and visitors from around the world to a dining room that feels like an extension of her home kitchen. The food has been called “brilliant in its simplicity and honesty” by Food & Wine, and it is exactly this pure

approach that makes Erin’s cooking so appealing—and so easy to embrace at home. This stunning giftable package features a vellum jacket over a printed cover.

*Picturing French Style* Jul 29 2022

and Zach find hope. With their recent engagement and their anticipation of the arrival of their little one, they look forward to their bright and promise-filled future together - as a family. Amelia occupies her spare time by helping by helping her mother and her best friend, Bailey, plan for her baby shower and the wedding. Even though Amelia and Zach cannot agree on a date, Amelia has her heart set on marrying the man of her dreams. Just when they believe their life is perfect and cannot get better than it is, they face yet another heartache. But with Zach's plan, there's a fair chance everything will be okay.

### How to Marry Right and Avoid Divorce

Jan 23 2022 Do you see marriage in your future but worry about becoming another divorce statistic? If so, this book is a must-read. Whether you are marrying for the first time or have been divorced and want to get back in the dating game, Dr. Susana O'Hara offers simple advice about the steps you can take to marry right, stay married, and decrease your chances of divorce. How to Marry Right and Avoid Divorce includes real-life examples of how several of Dr. O'Hara's clients did just that. Dr. O'Hara also illustrates the poor choices many before you have

made so you can learn from them. Dr. O'Hara's encouraging tips for finding the right person to marry have led countless people down the path to marital happiness. She offers suggestions for how to think realistically about marriage, how to best present yourself, and how to engage in meaningful conversation, among other useful topics. Now she can help you to learn How to Marry Right and Avoid Divorce. The Art of Resistance Aug 06 2020 A gripping memoir written by a 96-year-old Jewish Holocaust survivor about his escape from Nazi-occupied Poland in the 1930's and his

adventures with the French Resistance during World War II. In 1937, as the Nazi Party tightened its grip on the city of Danzig (now Gdansk, Poland), Justus Rosenberg's parents made the wrenching decision to send their son to Paris, where he would have the hope of finishing high school and going on to university in safety. He was sixteen years old, and he would not see his family again for sixteen years more. Even after war broke out in 1939, life in France was peaceful for a time—but when the Nazis pushed toward Paris in the spring of 1940, Justus was forced to flee south to Toulouse. There, a chance meeting

put Justus in contact with Varian Fry, the American journalist who ran a refugee network that aided several thousand Jews in escaping Nazi Germany and the Holocaust. With his German background, understanding of French cultural, and fluency in several languages, including English, Justus was ideally positioned to thrive in Fry's network, coming to master an underworld of counterfeit documents, whispered passwords, black market currency, opportunistic gangsters, and clandestine mountain passes. Justus would spend the rest of the war working for Fry and

later the French Resistance, helping to provide safe passage for many intellectuals and artists on the run from the Nazis, among them Hannah Arendt, Marc Chagall, Andre Breton, and Max Ernst. Along the way, he would have a number of close scrapes of his own: on one occasion, he was rounded up to be sent to a labor camp in Poland, and had to make a daring escape to save his life; on another, he narrowly survived after his jeep hits a landmine. An epic saga of survival, with the soul of a spy thriller, *The Art of Resistance* is also an uplifting story of personal triumph.

(Several years after

**Legacy** Oct 27

2019 If movies and

books like Belle,

Twelve Years a

Slave, The Butler,

The Help, A Time to

Kill, and Amistad

have moved you,

you'll love A

Complicated

Legacy, a novel by

Baltimore writer

Robert H. Stucky

based on the true

story of Elijah

Willis, a white

South Carolina

planter, and Amy-

the love of his life,

the mother of his

children, and his

slave. Taking place

in the decade

leading up to the

Civil War, it is

written with a

cinematic eye for

atmosphere and

setting, a linguist's

ear for dialogue, and a historian's grasp of the

powerful social

forces and

momentous events

of the time. It is a

riveting tale of

personal

transformation in

facing the tide of

sweeping social

change. Elijah

Willis fought family

opposition, public

opinion, and the

law to free his

family of choice and

leave them his

entire inheritance.

In so doing, his and

Amy's story

becomes a

microcosm of the

human struggles

that made the Civil

War and the

Abolition of Slavery

both necessary and

inevitable. Set in

rural South

Carolina, Baltimore,

and Cincinnati, this

vivid saga weaves

history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

age. Yet in 1960,  
Simon Murray  
traveled alone to  
Paris, Marseilles,  
and ultimately  
Algeria to fulfill the  
toughest contract of  
his life: a five-year  
stint in the Legion.  
Along the way, he  
kept a diary.  
Legionnaire is a  
compelling,  
firsthand account of  
Murray's  
experience with this  
legendary band of

soldiers. This  
gripping journal  
offers stark  
evidence that the  
Legion's reputation  
for pushing men to  
their breaking  
points and beyond  
is well deserved. In  
the fierce, sun-  
baked North  
African desert,  
strong men cracked  
under brutal  
officers, merciless  
training methods,  
and barbarous  
punishments. Yet  
Murray survived,  
even thrived. For  
he shared one trait  
with these hard  
men from all  
nations and  
backgrounds: a  
determination  
never to surrender.  
"The drama,  
excitement, and  
color of a good  
guts-and-glory  
thriller." -Dr. Henry  
Kissinger
