**Developing a Protocol for Observational Comparative Effectiveness Research: A User's Guide** May 02 2020 This User's Guide is a resource for investigators and stakeholders who develop and review observational comparative effectiveness research protocols. It explains how to (1) identify key considerations and best practices for research design; (2) build a protocol based on these standards and best practices; and (3) judge the adequacy and completeness of a protocol. Eleven chapters cover all aspects of research design, including: developing study objectives, defining and refining study questions, addressing the heterogeneity of treatment effect, characterizing exposure, selecting a comparator, defining and measuring outcomes, and identifying optimal data sources. Checklists of guidance and key considerations for protocols are provided at the end of each chapter. The User's Guide was created by researchers affiliated with AHRQ's Effective Health Care Program, particularly those who participated in AHRQ's DEcIDE (Developing Evidence to Inform Decisions About Effectiveness) program. Chapters were subject to multiple internal and external independent reviews. **Debt-Free Degree** Apr 12 2021 Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them. Student loan debt doesn't open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In *Debt-Free Degree*, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents: \*How to prepare their child for college \*Which classes to take in high school \*How and when to take the ACT and SAT \*The right way to do college visits \*How to choose a major A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. *Debt-Free Degree* shows parents how to pay cash for college and set their child up to succeed for life.

*Westminster Guide to the Books of the Bible* Jan 22 2022 This comprehensive introduction to all the books of the Bible, including the Apocrypha, is written in a clear, easy-to-read style, and is an ideal learning tool for laity, students, adult study groups, and ministers. The one-volume format is convenient for individual study groups, and this revision reflects the most up-to-date biblical scholarship. Based on the NSRV Bible. Notes; index; charts.

*The Proximity Principle* Feb 08 2021 Right now, 70% of Americans aren't passionate about their work and are desperately longing for meaning and purpose. They're sick of "average" and know there's something better out there, but they just don't know how to reach it. One basic principle? The Proximity Principle? can change everything you thought you knew about pursuing a career you love. In his latest book, *The Proximity Principle*, national radio host and career expert Ken Coleman provides a simple plan of how positioning yourself near the right people and places can help you land the job you love. Forget the traditional career advice you've heard! Networking, handing out business cards, and updating your online profile do nothing to set you apart from other candidates. Ken will show you how to be intentional and genuine about the connections you make with a fresh, unexpected take on resumes and the job interview process. You'll discover the five people you should look for and the four best places to grow, learn, practice, and perform so you can step into the role you were created to fill. After reading *The Proximity Principle*, you'll know how to connect with the right people and put yourself in the right places, so opportunities will come?and you'll be prepared to take them.

*How To Manage Your Money Blueprint* Dec 09 2020 You should consider what are your long-term and short-term goals? Are you planning for retirement or just for a nice new car? Once your goal is clear, you can set a practical way to achieve that goal. How much money is coming in? What are the risks and rewards with your plan? Do you or will you have student loans? It is important that providers make sure you know what your financial obligations are in relation to paying your debt. Work them into your budget every month and do what you can do pay down your student loan debt when you can. Money management is a crucial process for attaining financial success by managing money that includes expenses, investments, budgeting, banking and taxes. It enables you to know where your money is going and also it helps you plan your budget wisely. It's a fundamental process that determines what you can do and what you can't. If you are behind, as many are, when it comes how much you are saving for retirement, get in high gear and catch up. Adding a little extra per month than you normally would to your retirement plan, can catch you up faster than you think it will. Especially, if it concerns your 401k, because your employer will match a certain percentage of your contribution. You must figure out how much revenue versus expenses you have. This requires following a strict budget and adhering to it always. If you're working on improving your personal budget, one easy way to get yourself in the mindset is to get your paycheck put directly into an investment account rather than checking or cash. This way you pay yourself first, think of this as a tax but you get it for retirement. This will help get you in the habit of saving money and not thinking of it all as disposable income. In order to be economically wise, all of your disposable income must now be considered as investment funds, only to be spent on assets that return you funds at a good rate. If you know that a budget is probably the difference between you keeping money on the side during the good times and having nothing when the bad times come knocking, then you'd do everything possible to make sure that you prepare a SMART budget. When you're honest with yourself, you'll agree that to a great extent, money is key to having peace of mind. It's easy to say God provides when you're not in need. But when you're neck-deep in debt and you don't have money to pay for this month's rent, you'll probably be singing a different tune. No matter how much you want to finance the great work your church or your favorite charitable organization is doing, you can't do that without extra money. If you aren't able to provide for your needs, how can you provide for others'? If you're ready to start successfully managing your personal finances, click and BUY NOW!

**Dave Ramsey's Financial Peace University Coordinator Guide** Aug 05 2020 The Coordinator guide provides guidance and resources for leading a Financial Peace University class. **Retire Inspired** Feb 20 2022 When you hear the word retirement, you probably don't imagine yourself scrambling to pay your bills in your golden years. But for too many Americans, that's the fate that awaits unless they take steps now to plan for the future. Whether you're twenty five and starting your first job or fifty five and watching the career clock start to wind down, today is the day to get serious about your retirement. In *Retire Inspired*, Chris Hogan teaches that retirement isn't an age; it's a financial number an amount you need to live the life in retirement that you've always dreamed of. With clear investing concepts and strategies, Chris will educate and empower you to make your own investing decisions, set reasonable expectations for your spouse and family, and build a dream team of experts to get you there. You don't have to retire broke, stressed, and working long after you want to. You can retire inspired!

*Managing God's Money* Nov 07 2020 God cares a great deal more about our money than most of us imagine. The sheer enormity of Scripture's teaching on this subject screams for our attention. In fact, Jesus says more about how we are to view and handle money and possessions than about any other topic—including both heaven and hell. In *Managing God's Money*, Randy Alcorn breaks down exactly what the Bible has to say about how we are to handle our money and possessions in a simple, easy-to-follow format. Filled with Scripture references, *Managing God's Money* is the perfect reference tool for anyone who is interested in gaining a solid biblical understanding of money, possessions, and eternity.

**Baby Steps Millionaires** Jun 14 2021 You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That's when he set out to learn God's ways of managing money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In *Baby Steps Millionaires*, you will . . . \*Take a deeper look at Baby Step 4 to learn how Dave invests and builds wealth \*Learn how to bust through the barriers preventing them from becoming a millionaire \*Hear true stories from ordinary people who dug themselves out of debt and built wealth \*Discover how anyone can become a millionaire, especially you *Baby Steps Millionaires* isn't a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is straightforward, practical, and maybe even a little boring. But the life you'll lead if you follow the Baby Steps is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it's game on!

*The Total Money Makeover* May 26 2022 A strategy for changing attitudes about personal finances covers such topics as getting out of debt, the dangers of cash advances and keeping spending within income limits.

**Take Back Your Time** Apr 24 2022 It's not about doing more. IT'S ABOUT DOING WHAT MATTERS. As a busy mom with three young kids and a career, #1 national bestselling author Christy Wright knows what it's like to try to do it all and be stretched too thin. After years of running on empty, she realized she had to do something different. It wasn't just a matter of saying no to a few things. She had to figure out why she felt overwhelmed, overcommitted, and out of balance. Here's what she discovered: Life balance isn't something you do. It's something you feel. The great news is you can feel balanced — even in your busy life. In *Take Back Your Time*, Christy redefines what balance is and reveals the clear path to actually achieve it. You'll learn how to: Identify what balance looks like in your unique situation and season. Find confidence in the choices that are right for you. Feel peace even during chaotic times. Learn how to be present for your life and actually enjoy it! You weren't created to live busy and burnt out, unhappy and unfulfilled. You shouldn't be haunted by some elusive idea of balancing it all. There's more for you right now. Today. And it starts with taking back your time the guilt-free way.

*Banner in the Sky* Dec 29 2019 The Citadel It stands unconquered, the last great summit of the Alps. Only one man has ever dared to approach the top, and that man died in his pursuit. He was Josef Matt, Rudi Matt's father. At sixteen, Rudi is determined to pay tribute to the man he never knew, and complete the quest that claimed his father's life. And so, taking his father's red shirt as a flag, he heads off to face the earth's

most challenging peak. But before Rudi can reach the top, he must pass through the forbidden Fortress, the gaping chasm in the high reaches of the Citadel where his father met his end. Rudi has followed Josef's footsteps as far as they will take him. Now he must search deep within himself to find the strength for the final ascent to the summit -- to plant his banner in the sky. His father died while trying to climb Switzerland's greatest mountain -- the Citadel -- and young Rudi knows he must make the assault himself.

**The Total Money Makeover Journal** Jan 28 2020 When Dave Ramsey was experiencing his own "total money makeover," he found that journaling was very helpful and effective in allowing him to see the big picture. Dave says, "Take this journal and record everything happening that seems like a big deal. Record the relationship issues, the debt, the emotions, the setbacks, the victories, and anything else that seems important at the time." "The immediate benefits of writing everything down are twofold. First, writing helps you process the problems and victories. The second immediate benefit of journaling is that you can reread your entry just days - even months - later and gain vital perspective on your progress." Now in a bullet journal format with prompts for recording victories and setbacks, The Total Money Makeover Journal will motivate those in The Total Money Makeover journey to find value in every day. "Write it down. You will be glad you did."

*Dave Ramsey's Complete Guide to Money* Oct 31 2022 "This is the official handbook for Financial Peace University. If you are following Dave's teaching, you already know what is in this book. But if you're new to Dave this is the book for you."--Publisher's website.

*Capital in the Twenty-First Century* Feb 29 2020 What are the grand dynamics that drive the accumulation and distribution of capital? Questions about the long-term evolution of inequality, the concentration of wealth, and the prospects for economic growth lie at the heart of political economy. But satisfactory answers have been hard to find for lack of adequate data and clear guiding theories. In this work the author analyzes a unique collection of data from twenty countries, ranging as far back as the eighteenth century, to uncover key economic and social patterns. His findings transform debate and set the agenda for the next generation of thought about wealth and inequality. He shows that modern economic growth and the diffusion of knowledge have allowed us to avoid inequalities on the apocalyptic scale predicted by Karl Marx. But we have not modified the deep structures of capital and inequality as much as we thought in the optimistic decades following World War II. The main driver of inequality--the tendency of returns on capital to exceed the rate of economic growth--today threatens to generate extreme inequalities that stir discontent and undermine democratic values if political action is not taken. But economic trends are not acts of God. Political action has curbed dangerous inequalities in the past, the author says, and may do so again. This original work reorients our understanding of economic history and confronts us with sobering lessons for today.

*Illustrated Theatre Production Guide* Jul 04 2020 This invaluable guide takes a step-by-step approach to the most common and popular theatre production practices and covers important issues related to the construction of wooden, fabric, plastic, and metal scenery used on the stage. This new edition of the Illustrated Theatre Production Guide uniquely shows you how to build scenery through detailed lessons and hundreds of drawings. The illustrations make this book like no other and offers solutions to problems that you face, from rigging and knot tying, to drapery folding and the most detailed information on metal framing available. Written for the community theatre worker who has to be a jack of all trades and the student who needs to learn the fundamentals, respected author John Holloway teaches in a way that covers the necessities but doesn't bog you down with heavy language and boring verbosity. New features in this book range from expanded information on metal framing and foam construction to brand new elements such as a chapter on stage management and an extremely helpful Website with videos -- meant to go along with the informative section on projects. These videos take you from the drawings and descriptions in the book to the video instructions that will help you learn visually. A must have for the theatre professional as a guide to refer back to over and over again.
