Something to Hide Jul 18 2021 "Classic Moggach: readable, memorable . . . an unashamedly colorful journey across continents, with clothes, food, landscapes brought joyously to life." —The Times (London) "Nobody in the world knows our secret . . . that I've ruined Bev's life, and she's ruined

mine." Petra's romantic life has always been a car crash, and even in her sixties she's still getting it disastrously wrong. And then she falls in love with Jeremy, an old friend visiting from abroad. There's just one catch: Jeremy is married to her best friend, Bev. Meanwhile, on opposite sides of the world, two other women are also struggling with the weight of betrayal: Lorrie, a Texan, is about to embark on the biggest deception of her life, and in China, Li Jing is trying to understand exactly what it is her husband does on his business trips. It turns out that no matter where you are in the world or how well you think you know the one you love, everyone has secrets.

Apr 02 2020 Over two hundred and thirty years ago the Fallocaust happened, killing almost everything that lived and creating what is now known as the greywastes. A dead wasteland where cannibalism is a necessity, death your reality, and life before the radiation nothing but pictures in dog eared magazines. Reaver is a greywaster, living in a small block controlled by a distant ruler said to have started the Fallocaust. He is a product of the savage world he was raised in and prides himself on being cold and cruel. Then someone new to his town catches his eye, someone different than everyone else. Without knowing why he starts to silently stalk him, unaware of where it will lead him.

Dec 11 2020 This book explores the significant body of architectural photographs produced in Czechoslovakia in the period of the 1920s and 1930s. In these important years, both architects and photographers saw themselves as participants in the creation of a new world, pursuing beliefs in social and technological utopias. Practitioners in the two fields shared and stimulated each other's vision, fostering interplay that consisted of mutual influences, parallels, and affinities. The process of modernization as well as the creation of nation states and the rise of the middle class started later in Central Europe than in Western Europe. With its young middle class, Czechoslovak state eagerly embraced modern ideas and recognized in architecture a powerful tool for expressing its goals and ideals. For this reason, Czechoslovakia became one of the centers of the modern movement in architecture in the 1920s and 1930s. -- From publisher's description.

Jun 28 2022 The complete works of one of England's greatest Edwardian writers

Saki is perhaps the most graceful spokesman for England's 'Golden Afternoon' - the slow and peaceful years before the First World War. Although, like so many of his generation, he died tragically young, in action on the Western Front, his reputation as a writer continued to grow long after his death. His work is humorous, satiric, supernatural, and macabre, highly individual, full of eccentric wit and unconventional situations. With his great gift as a social satirist of his contemporary upper-class Edwardian world, Saki is one of the few undisputed English masters of the short story and one of the great writers of a bygone era. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Cowboy Heat Jan 12 2021 They may ride off into the sunset, but cowboys never go out of style. These manly men embody the fiercely independent, earthy alpha male and hero who isn't afraid to show the gentle, nurturing side of his complex nature when faced with a woman in need. Even when he's coated with dust from riding behind a herd of cattle or up to his knees in mud freeing a calf from a wallow, the stud still generates a lot of Cowboy Heat. Delilah Devlin's Cowboy Lust was a sensation, hitting the top ten of romance books and generating a river of praise. Award-winning Devlin is back on the ranch with stories of rugged romantics, rough riders, and rope wranglers sure to satisfy any reader who craves the idea of that gruff, romantic hero, a man of few words but many moves. Cowboy Heat sits tall in the saddle, winning hearts and spurring readers to new heights of happiness.
