High Vibrational Beauty Jul 28 2019 Beauty is Wellness. Wellness is Beauty. Kerrilynn Pamer and Cindy DiPrima Morisse, founders of CAP Beauty, the all-natural beauty site and store, want to share their deep knowledge of the benefits of natural beauty, foods, and mindfulness techniques with you. Natural beauty is about making choices that create true radiance from the foods we eat to the way we move to how we care for ourselves and our planet. You've already purified your meals, workouts, and bodies by returning to clean naturals. Now it's time to align your beauty routine with the other wellness practices you follow. What we put on our skin is easily as important as what we put in our mouths. But natural beauty is about much more than just products. Through routines, recipes, and rituals, *High Vibrational Beauty* addresses beauty from the inside out and vibrancy from the outside in. Divided into seasons and focused on self-care and rejuvenation, *High Vibrational Beauty* combines mantras, meditations, natural skin care regimens, and more than 100 plant-based recipes to help you achieve radical radiance. This is the only guidebook you need to create true and lasting beauty for the mind, body, and soul.

The Beauty in Breaking Aug 28 2019 A NEW YORK TIMES BESTSELLER A New York Times Notable Book “Riveting, heartbreaking, sometimes difficult, always inspiring.” —The New York Times Book Review “An incredibly moving memoir about what it means to be a doctor.” —Ellen Pompeo As seen/heard on Fresh Air, The Daily Show with Trevor Noah, NBC Nightly News, MSNBC, Weekend Edition, and more An emergency room physician explores how a life of service to others taught her how to heal herself. Michele Harper is a female, African American emergency room physician in a profession that is overwhelmingly male and white. Brought up in Washington, D.C., in a complicated family,

she went to Harvard, where she met her husband. They stayed together through medical school until two months before she was scheduled to join the staff of a hospital in central Philadelphia, when he told her he couldn't move with her. Her marriage at an end, Harper began her new life in a new city, in a new job, as a newly single woman. In the ensuing years, as Harper learned to become an effective ER physician, bringing insight and empathy to every patient encounter, she came to understand that each of us is broken—physically, emotionally, psychically. How we recognize those breaks, how we try to mend them, and where we go from there are all crucial parts of the healing process. *The Beauty in Breaking* is the poignant true story of Harper's journey toward self-healing. Each of the patients Harper writes about taught her something important about recuperation and recovery. How to let go of fear even when the future is murky: How to tell the truth when it's simpler to overlook it. How to understand that compassion isn't the same as justice. As she shines a light on the systemic disenfranchisement of the patients she treats as they struggle to maintain their health and dignity, Harper comes to understand the importance of allowing ourselves to make peace with the past as we draw support from the present. In this hopeful, moving, and beautiful book, she passes along the precious, necessary lessons that she has learned as a daughter, a woman, and a physician.

A Victorian Lady's Guide to Fashion and Beauty Feb 12 2021 "An elegant resource that I will be reaching for again and again." -Deanna Raybourn, New York Times bestselling author What did a Victorian lady wear for a walk in the park? How did she style her hair for an evening at the theatre? And what products might she have used to soothe a sunburn or treat an unsightly blemish? Mimi Matthews answers these questions and more as she takes readers on a decade-by-decade journey through Victorian fashion and beauty history. Women's clothing changed dramatically during the course of the Victorian era. Necklines rose, waistlines dropped, and Gothic severity gave way to flounces, frills, and an abundance of trimmings. Sleeves ballooned up and skirts billowed out. The crinoline morphed into the bustle and steam-moulded corsets cinched women's waists ever tighter. As fashion was evolving, so too were trends in ladies' hair care and cosmetics. An era which began by prizing natural, barefaced beauty ended with women purchasing lip and cheek rouge, false hairpieces and pomades, and fashionable perfumes made with expensive spice oils and animal essences. Using research from nineteenth century beauty books, fashion magazines, and lady's journals, Mimi Matthews brings the intricacies of a Victorian lady's toilette into modern day focus. In the process, she gives readers a glimpse of the social issues that influenced women's clothing and the societal outrage that was an all too frequent response to those bold females who used fashion and beauty as a means of asserting their individuality and independence.

The Aromatherapy Beauty Guide Oct 11 2020 Each drop of essential oil is a pharmacy. Danielle was inspired to write this book when she developed extreme skin sensitivities, irritations and rashes that didn't improve even after visits to skin specialists who only prescribed topical treatments and conventional therapies. When the symptoms didn't subside, she took matters into her own hands and sought out a natural-medicine healing approach through essential oils. This comprehensive book provides a wealth of evidence-based information that provides a sensible and sound approach when it comes to creating your own natural product formulas. In no time at all, you'll be creating signature products that are just right for your face and body. *The Aromatherapy Beauty Guide* is broken down into four user-friendly sections: Part 1: The Foundation Includes information on everything from anatomy of the skin, the mind-body connection, dry and sensitive skin to aging and aging sensitive skin Creating your own skin care products without chemicals or preservatives and the chemistry of essential oils Part 2: Basic Ingredients Information on

the raw ingredients you'll need to get started (clays, waxes, extracts, etc.) as well as carrier oil, plant butter and infused herbals Part 3: Essential Oils All about essential oils including the biosynthesis of an essential oil and a directory of the oils best suited to personal care products from Bergamot to Lemongrass and Ylang Ylang Part 4: Making Your Own Personal Care Products Easy-to-follow instructions on creating products for the face, body, bath, pregnancy and breastfeeding and personal care products for men. Making your own natural botanical creams and lotions is surprisingly simple and very satisfying -- you'll soon be on the road to recovery and living a more natural lifestyle.

The Beauty Industry Survival Guide Mar 28 2022 My name is Tina Alberino, and I wrote this book to save you. This is not another lame book full of generic beauty business advice. This book serves as the literary equivalent of a kick in the ass and a punch to the throat. You hold in your hands compendium of harsh lessons and a raw depiction of the true nature of this industry. The vast majority of these lessons aren't taught in schools and don't appear in textbooks; they're learned through experience--often in a way that is less-than-gentle. This book will help you navigate this tumultuous industry. The waters run deep, the currents are swift, and the tides shift quickly. The journey can certainly be treacherous. Don't learn these lessons the hard way. Learn how to avoid scoundrel salon owners and crackpot contracts, build a loyal following of glamorous gals and gallant gents, and land your first big break before graduation day!

The Lost Art of True Beauty May 06 2020 Sensuality equals beauty—that's what today's young women are learning from our sex-obsessed society. Millions of 20somethings are caught up in trying to look like fashion models, movie stars, or the hottest new pop singer and end up plagued by insecurity, eating disorders, and sexual promiscuity. Bestselling author and speaker Leslie Ludy (*Set-Apart Femininity* and *Authentic Beauty*) shares a different vision for feminine loveliness as God intended it to be—the breathtaking radiance of a young woman who has been transformed by Christ from the inside out. With candid personal stories, practical advice, and inspiration, Leslie leads young women on a life-changing journey to become women of feminine grace, beauty, and enduring style. Leslie inspires girls toward inner changes but also talks about practical social grace and manners, how to dress beautifully, and even how to create a warm and lovely environment in the home. Clearly, true beauty is more than skin deep.

Simple Skin Beauty Dec 01 2019 It's every woman's skin care fantasy: What if a leading dermatologist just happened to be your best friend and you could ask her anything? Dr. Ellen Marmur, a world-renowned New York City dermatologist, is ready to answer your questions with this comprehensive, cutting-edge guide to healthy, beautiful skin. Each day in Dr. Marmur's practice, she hears the same questions again and again from so many patients. "What's the best investment against aging?" "Will this cream make my wrinkles go away?" "What does a cancerous spot look like?" A busy mother of four, Dr. Marmur knows women don't have the time or money to waste on products or procedures that are costly and ineffective. As a skin cancer surgeon -- and a skin cancer survivor herself -- she has treated thousands of patients confused about sun protection, cosmeceuticals, and antiaging procedures. This is what inspired her to write this book. In a refreshingly accessible way, Dr. Marmur explains that it doesn't have to be so difficult for women to get great skin or so expensive to maintain it. In fact, Dr. Marmur believes that to obtain gorgeous, healthy skin you need just three basic skin care essentials. And she gives you the know-how to adjust your regimen to treat issues like acne breakouts, dry skin, wrinkles, and more. With Dr. Marmur's passionate expertise and simple, inspired solutions, *Simple Skin Beauty* is the definitive go-to skin care guide for women of all ages. *Simple Skin Beauty* has the answers to your most pressing skin care questions, such as: • What's the difference between sunblock and sunscreen, and which ingredients are the best? • Will drinking a lot of water make my skin look better? • What is the best facial cleanser and moisturizer for my skin? • What, besides plastic surgery, can help my sagging neck? • How do I know if this freckle is skin cancer? • Which antiaging products truly work? • What should I ask my dermatologist if I'm considering Botox, fillers, lasers,

or other procedures?
